8591039240 | aniruddha2004.gawde@gmail.com

IT graduate who knows how to fix software and hardware issues, write scripts and help users with technical problems. I work well with others and pick up new skills quickly. Looking for a Junior IT Specialist role to start my carrier and keep learning on the job.

Education

BACHELOR OF SCIENCE IN INFORMATION TECHNOLOGY | NAVNEET COLLEGE

OCT-22 PRESENT

- Consistently among the top 5% of students in the B.Sc.IT program; CGPA:9.10
- **Relevant coursework:** Data Structures, Network Security, Databases and Web Technologies.

Project

WASTE SEGREGATION AND LEVEL MONITORING SYSTEM

Developed a smart waste management system that automatically separates dry and wet waste using infrared (IR) sensor. When waste is placed in the bin, the system identifies the type and opens the correct compartment using servo motor. Ultrasonic sensor is used to measure how much full the dustbin is, GSM module is used to send the real-time alert to collect the waste with exact location and fill percentage.

Volunteer Experience

NATIONAL SERVICE SCHEME

Participated in community service activities, awareness programs, organized events, worked in teams to support underprivileged communities through education and outreach efforts. Developed teamwork, leadership and communication skills while serving the community.
