Education

SSBT's College of Engineering and Technology, Jalgaon <i>Bachelor of Science in Information Technology (CGPA-8.6)</i>	Sep. 2020 - July 2024
New English Jr. Science College, Jamner <i>Major in Science (65%)</i>	Aug. 2018 – Aug . 2020
New English School , Jamner <i>Major in Science (88%)</i>	Aug. 2017 – Aug . 2018

Experience

Let's Grow More **Feb 2023 – March 2023**

Web Developer and Design Intern

- Developed and maintained website components like Modern portfolio website and Student Result Management System using HTML, CSS, JavaScript , MySQL

Oasis Infobyte **April 2023 – May 2023**

Java Developer Intern

- Developing online examination system and By using Java create a various type of Game as similar as number guessing

Diploma in Advanced Java Full Stack Development

VibrantMinds Technologies Pvt. Ltd.

7 August 2024 – 3 February 2025

- Completed a diploma in Advanced Java Full Stack Development covering Core Java, Spring Boot, JSP, JDBC, and frontend technologies like HTML, CSS, JavaScript, along with REST API integration and MySQL. Gained hands-on experience in building responsive, full-stack web applications using industry-standard tools and frameworks.

Projects

Handwritten text recognition | CNN, RNN **2023**

- Designed and implemented a handwritten text recognition system using Convolutional Neural Networks (CNN) and Recurrent Neural Networks (RNN). Preprocessed handwritten text images for optimal input into the neural network, including normalization and augmentation techniques.

Decoding Facial Expression in Children with Autism Spectrum Disorder | Python, Django , CSS 3 **2024**

- Developed a web application to decode and analyze facial expressions in children with Autism Spectrum Disorder (ASD) using Python 3.x, Django, HTML5, JavaScript ES6, and CSS3. Utilized Python libraries such as OpenCV for facial detection and landmark identification.

Technical Skills

Languages: C++, Java, HTML/CSS, MySQL, OOPS

Behavioral Skills: Leadership, Team Player

Certification / Extracurricular

- Participating Smart-India hackathon(Year- 2022) (Year- 2023)
- Certification of participation in Rubicon (learning and self-improvement)
- Certification of responsive web design
- Certification of web development by Internshala
- Career Essentials in Generative AI by Microsoft and LinkedIn
