

Mohanaphanindra Makhni

Electronics and Communication Engineer

7901540987 mohanaphanindra6@gmail.com Tenali, Andhra Pradesh, India

SUMMARY

I am a motivated and analytical professional experienced in evaluating dashboards, with a strong foundation in Java, SQL, and Tableau. As a certified Excel specialist, I am committed to learning artificial intelligence and product lifecycle analytics. I excel in collaborative environments focused on interdisciplinary communication, and I am eager to contribute my skills in a progressive organization.

EDUCATION

Bachelor of Technology (B.Tech)

GVR & S College of Engineering & Technology

Kakinada, Andhra Pradesh, India

06/2017 - 09/2021

Intermediate

Sri Chaitanya Junior College

Andhra Pradesh, India

06/2015 - 04/2017

Secondary School Certificate (SSC)

ZP High School, Ananthavaram

Andhra Pradesh, India

04/2015 - 04/2015

STRENGTHS

Java Proficiency

Good knowledge of object-oriented programming concepts in JAVA including exception handling, packaging, and access specifiers.

SQL Skills

Strong understanding of RDBMS concepts, SQL queries, and data integrity principles.

Advanced Java Knowledge

Proficient in JDBC Drivers, JSP, Servlets, and Spring Framework.

KEY ACHIEVEMENTS

Internship on Micro-Controllers and IoT

Participated in a week-long internship focusing on micro-controllers, micro-processors, IoT, and PCB designing

LANGUAGES

Telugu (Native)

English (Proficient)

SKILLS

API, Artificial Intelligence, Cricket, data integrity, EXCEL, hfss, IoT, Java, JDBC, JSP, ms office, PCB, PCB Designing, Power BI, power point, RDBMS, Servlets, Spring Framework, SQL, Tableau, TCL, telugu, C++, Script, Linux tools, GCC, Makefile, Strong knowledge on agile methodologies

PROJECTS

UWB and MIMO Antenna Project

09/2021 - 01/2020

Design and analysis of UWB and MIMO antenna using fractals and HFSS

- Designed UWB and MIMO antennas using fractals and HFSS technology.
- Utilized a single antenna for multiple functions, applicable in radio altimeter and satellite TV receivers.

PASSIONS

Hobbies

Enjoy playing cricket and volleyball, listening to music, and cooking.
