PROFILE

Highly skilled and results-oriented professional with solid academic preparation holding a bachelor degree and master's degree in Mathematics. Proven ability to assess and manage complex obstacles; viewed as a strong troubleshooter. Successful in intense and demanding environments, providing decisive team leadership and structure with a track record of motivating and developing soldiers.

PROJECTS

Youtube Clone

- Developed a fully functional YouTube clone using the **MERN stack**, replicating core features like video streaming, dynamic channel management, and real-time comments.
- Implemented **JWT-based authentication** with secure route protection, session handling, and user/channel-specific operations.
- Designed a **responsive UI** with video playback, search and category filters, and mobile-friendly layouts using modular, scalable architecture.
- Built **RESTful APIs** for managing users, videos, channels, and comments; integrated **MongoDB** for persistent storage of user data, metadata, and media content.

E-Commerce

- Built a responsive e-commerce platform using **React** with features like product filtering, real-time search, cart management, and checkout flow.
- Used **Redux Toolkit** for global state management and **React Router DOM** for dynamic routing and seamless navigation.
- Implemented persistent cart with **localStorage**, toast notifications using **React Toastify**, and integrated **DummyJSON API** for fetching product data.

Weather Forecast Application

- Built a responsive weather application using **HTML, Tailwind CSS, and JavaScript** that displays real-time weather data by city search or geolocation.
- Used **JavaScript** to fetch API data and dynamically update UI elements, including weather-based icons and background visuals.

Analysis of Flipkart Mobile Data

- Developed a Python script using **BeautifulSoup** and **requests** to scrape mobile phone data under ₹50,000 from Flipkart, extracting pricing, reviews, and specifications.
- Used **Pandas** for data cleaning and analysis, and performed trend analysis using **SQL queries**, improving skills in web scraping, data handling, and database operations.

SKILLS

Python | SQL | JavaScript | Reactjs | Nodejs | Express | MongoDB | CSS | HTML | Machine Learning | Web Scraping | ETL | PowerBI | Excel | Tableau | Data Visualization | Analytical Thinking | Problem Solving | Adaptable

INTERNSHIPS

Data Analyst, Khimji Kunverji & Co 01/2024 – 05/2024 | Mumbai, India

- Developed customized, interactive dashboards to present complex financial information clearly, empowering clients with intuitive, data-driven decision-making tools.
- Conducted in-depth analysis of over **30 lakh financial records** using advanced queries to extract actionable insights and enhance reporting accuracy.
- Automated repetitive audit tasks by recording macros in **IDEA Caseware**, streamlined workflows, and provided on-site client support to address project-specific needs and ensure tailored solutions.

Data Annotator, Xane.Ai 06/2023 – 08/2023 | Gurugram, India

- Efficiently labeled and categorized diverse datasets according to project requirements, ensuring high-quality annotations for machine learning model training.
- Conducted thorough quality assurance checks to verify the accuracy and consistency of annotations, maintaining data integrity and reliability.
 - Utilized Makesense proficiently to streamline annotation tasks and improve efficiency

EDUCATION

Master of Science (Mathematics), MIT World Peace University 07/2022 – 06/2024 | Pune, India

Bachelor Of Science (Mathematics), Jiwaji University 07/2021 – 06/2022 | Gwalior, India

HSC, Madhya Pradesh Borad of Secondary Education 03/2018 | Sheopur, India

SSC, Central Borad of Secondary Education 03/2016 | Sheopur, Madhya Pradesh

AWARDS

1st rank in Hack-Ideathon Competition Organized by MIT- WPU

Got Medhavi Schlorship by MP Government.

EXTRA CURRICULARS

Student Placement Representative, MIT WPU Pune, India

Rural Immersion program, MIT WPU

- Teaching Assistant of freshmen for the street play.
- Member of the School activity.
 - Leaded the team for the Village Survey
