

# MAHADEVI LOKHANDE

## DATA ANALYTICS

Skilled in using advanced analytical techniques and data visualization tools to drive data-driven decisions and optimize business outcomes. Proficient in statistical analysis, SQL, Python, and data visualization platforms such as Tableau and Power BI. Proven track record in transforming data into clear and compelling narratives that enhance operational efficiency and inform strategic business decisions.

---

### PROGRAMMING SKILLS

- Programming : Python,Java,Sql,MongoDB, JavaScript
- Web Developing Data Analysis: NumPy,Pandas Data
- Visualization: Matplotlib, Seaborn ,Tableau Version
- Control: Git , GitHub
- 

---

### EDUCATION

UNIVERSITY OF SWAMI RAMANAND  
TEERTH MARATHWADA UNIVERSITY  
NANDED

Bachelor of Computer science | 2020-2023

University of Swami Ramanand Teerth Marathwada  
University Nanded | 2020 - 2023

Master of Computer science | 2023-2025

---

### PROJECTS

- 1) Indian Tourism
- 2) Amazon Clone
- 3) Universe Planet
- 4)Emotion and Gesture Recognition

---

### CERTIFICATES

- Java certificate
- Web Development Internship Certificate
- National Level Hackathon Competition
- Artificial Intelligence and Machine learning for Future Perspective

---
