Wardha, Maharashtra

EXPERIENCE

- **Coding Ninjas-BITW Club**
Technical Team Member
Handled the Coding Ninjas-BITW Club website.
July 2022 - December 2022
- **JP Morgan**
Virtual Experience-Intern
worked as virtual intern on various tasks and modules to debug the software use to display continuous change of ratio of stock and other variable.
August 2022 - October 2022

CERTIFICATIONS

- **SQL Basic - HackerRank**
- **Data Structure & Algorithm - Coursera**
- **Artificial Intelligence - Coursera**
- **Database Management System - Infosys**
- **AWS Academy Cloud Developing - AWS**
- **Introduction to Python - Infosys**

EDUCATION

- **B.Tech (CSE), Current CGPA : 6.41 / 10**
Bajaj Institute of Technology, Wardha
2021 - 2025 (Expected)
- **H.S.C - Std. XII (Computer) - 81.00 %**
Janata Mahavidyalaya, Chandrapur
2021
- **S.S.C - Std. X (State Board) - 64.40 %**
Vidya Niketan High School, Chandrapur
2019

QUALITIES & INTERESTS

Problem
Solving

Leadership

R & D

Confidence

SKILLS

- **Domain**
AI & ML and Web Development .
- **Programming Tools and Skill Tracks**
Java, Python, HTML, CSS, MongoDB, MySQL, AWS Basics
- **Frameworks & Others**
Express, Reactjs, Vision Transform, Tenserflow.

PROJECTS

- **AI-Driven Crop Disease Prediction & Management System - B.Tech Major Project**
Developed a predictive model which utilizes machine learning algorithms to analyze crop images and environmental data, enabling real-time crop disease detection.
- **Retinal Disease Classification**
Developed a predictive model for multiple retinal diseases using fundus images from the RFMid dataset. Leveraged the Vision Transformer algorithm to train the model, achieving accurate and efficient disease detection.
- **Placement Portal Management Website**
Created a Placement Portal Management Website involves developing a web-based application that facilitates the management and coordination of placement activities for educational institutions. Developed an end-to-end web application using HTML, CSS, JavaScript and develop the backend architecture using Expressjs and MySQL

OTHER HIGHLIGHTS

- **Class Representative** for CSE 2025 Batch at BIT Wardha.
