KARAN TANPURE

Manager – Operations | Business Analytics | Strategic Execution

Professional Experience

Manager – Operations Team

Physics Wallah, Noida

2021 – Present

CORE COMPETENCIES

- ✓ Operations Strategy & Execution
- ✓ Team Leadership & People Management
- ✓ Business Process Optimization
- ✓ SQL & Advanced Data Analysis
- ✓ Performance Monitoring & Dashboards
- ✓ Reporting & Automation (Google Data Studio, Qlik Sense, Power BI)
- ✓ Cost Optimization & Financial Modeling
- ✓ Project Management & ERP Integration
- ✓ Stakeholder & Vendor Management
- ✓ Cross-Functional Collaboration

Key Responsibilities & Achievements

- ✓ **Operational Leadership & Team Management**
 - Leading a team of analysts and operations associates across regional centers to ensure smooth execution and strategic alignment.
 - Driving operational KPIs, staff performance, and SOP adherence across 75+ centers nationwide.
- ✓ **Center Rollouts & Expansion**
 - Led end-to-end operational strategy for launching 54 Vidyapeeth and 22 Pathshala centers across India.
 - Designed scalable center models and implementation playbooks for location setup, staffing, and student management.
- ✓ **Data-Driven Strategy**
 - Utilized SQL, Google Data Studio, and Qlik Sense to track performance, drive operational insights, and improve response time to business queries.
 - Built real-time dashboards for monitoring student admissions, center operations, and compliance metrics.
- ✓ **Automation & System Optimization**
 - Spearheaded ERP implementation to streamline student admissions, academic planning, and inventory workflows.
 - Introduced automation scripts and workflows, resulting in a 15% increase in team productivity.
- ✓ **Revenue & Cost Initiatives**
 - Identified and implemented cost-saving strategies such as student housing partnerships, generating ₹2.5 crore+ annually.
 - Forecasted budgets and resource needs using financial modeling techniques.
- ✓ **Training & Stakeholder Collaboration**
 - Designed training programs and operational SOPs, boosting tool adoption and interdepartmental synergy.
 - Acted as the bridge between business, marketing, and product teams to ensure data-backed execution.

AWARDS & RECOGNITION

- ✓ Star Performer of the Month (2 times) – Recognized for excellence in business analytics and reporting.
- ✓ Employee of the Quarter – Awarded for executing high-impact operational strategies.
- ✓ Best Data-Driven Initiative – Honored for creating an error-reducing automated reporting dashboard.
