SUMMARY

Data analyst with expertise in data manipulation, statistical analysis, and visualization. Proficient in Python, SQL, Excel, and Power BI, leveraging data insights to enhance decision-making and drive business growth. Experienced in machine learning, predictive modeling, and big data analytics, with strong critical thinking and problem-solving abilities. Organized and motivated, ready to apply time management skills in diverse environments while contributing to organizational success.

EDUCATION

Master of Science (M.Sc.) in Computer Science	2025
Swami Ramanand Teerth Marathwada University	
Bachelor of Science (B.Sc.) in Computer Science	2023
Swami Ramanand Teerth Marathwada University	
Higher Secondary Certificate (HSC)	2020
Shivaji Mahavidyalaya, Udgir	

SKILLS

- **Programming:** Python (NumPy, Pandas, Matplotlib, Seaborn), SQL
- **Data Analysis:** Data cleaning, transformation, exploratory analysis
- **Data Visualization:** Power BI, Matplotlib, Seaborn
- **Databases:** MySQL, PostgreSQL
- **Reporting:** Dashboard creation, KPI tracking

CERTIFICATIONS

- National Level Hackathon Competition
- Artificial Intelligence & Machine Learning for Future Perspective
 - SQL for Data Science Certification
 - Python for Data Analysis and Visualization

PROJECTS

Walmart Sales Trend Analyzer

- Analyzed historical sales data to identify trends and improve inventory management
- Built Power BI dashboards to visualize key metrics and provide business insights
- Applied SQL queries for data extraction and performance tracking

LinkedIn Job Data Explorer

- Scraped and analyzed job postings to determine hiring trends
- Developed a dashboard to visualize job market demands, salaries, and required skills
- Provided data-driven insights for job seekers and recruiters
