SKILLS

- **Programming Languages** : Python, SQL
- **Tools and Frameworks** : Pandas, Matplotlib, Scikit-learn, Seaborn, Excel, MySQL, Git, Power BI
- **Area of Interest** : Data Science, Machine Learning, Finance, Business Analytics

INTERNSHIP/TRAINING

Data Analyst Intern | Snipe Pvt. Ltd.

May '24 -July '24

- Developed a **Random Forest** model with **85%** accuracy to effectively predict user engagement and behavior trends.
- Identified key drivers such as user activity metrics, topic preferences, and course completion rates for insights.
- Applied the model to detect high-risk students and deliver personalized course recommendations effectively.
- Achieved a **30%** increase in platform usage and a **20%** boost in student engagement, driving motivation & satisfaction.

PROJECTS

Marketing Mix Modeling (MMM) using Multivariate Regressions

- Developed an **MMM framework** to analyze weekly aggregated data and quantify the ROI of advertising on sales.
- Applied **VIF analysis** to detect multicollinearity and used **Box-Cox transformation** to correct data skewness.
- Utilized **Adstock analysis** with **log transformations** to model diminishing returns and carryover effects accurately.
- Implemented **Multinomial regression**, achieving **MSE: 0.029** and **R²: 0.87**, identifying **TV ads** as the most impactful.

BigMart Sales Prediction Analysis

- Built a BigMart Sales Prediction model using regression on **1500+** products across **10** stores with key features.
- Applied Lasso Regression, Decision Tree, Random Forest with MSE of **0.28** (log values) for Random Forest.
- Performed data cleaning, feature engineering, and analysis including correlation matrix and feature importance.

Starbucks Customer Segmentation

- Processed **3** datasets with **300,000+** entries, ensuring data cleanliness and merging where necessary.
- Conducted EDA and feature engineering, applying **PCA** to effectively reduce data dimensionality.
- Employed K-Means clustering on **17,000** customers, optimizing clusters using Silhouette score and SSE.
- Analyzed cluster demographics to identify key customer traits and refine market segmentation strategies.
- Utilized t-SNE for cluster analysis, optimizing promotional strategies for targeted customer engagement.

POSITION OF RESPONSIBILITY

Publicity Executive | Technex '23

Sept '22 - Mar '23

- Managed publicity campaigns for Technex, enhancing event visibility and engagement through strategic planning.
- Led a team of **30 Campus Ambassadors** to expand event reach, drive participation, and address participant queries.

Induction Mentor in SCS

Oct '22 - Present

- Provided incoming students with personalized assistance and support in their transition to collegiate life, offering guidance, mentoring, and helping them overcome obstacles to reach successful outcomes.

HONOURS AND ACHIEVEMENTS

- Demonstrated exceptional problem-solving skills by leading team to **1st place** in **OsmoCross '24, SoChem**.
- Achieved **top 25** percentile in **IIT Guwahati's Summer Analytics '23** through advanced data analysis techniques.
- Solved **350+** problems on various online judges such as Leetcode, Hackerrank etc.

EXTRA-CURRICULAR ACTIVITIES

- Secured **1st place twice** in **Big Shot - IITBHU**, a trading competition with **StockGro**, leading to an **internship offer**.
- Led cricket team as **Captain** to **victory** in **SoChem Cricket Tournament '22**, driving team performance.
- Delivered **40+** math lectures using innovative techniques and ensuring quality with QC team collaboration at **Snipe**.
- Spearheaded successful **workshop coordination** at **Technex'22**, showcasing exceptional organizational skills.
