Professional Experience

Senior Business Analyst, Unanng Infotech Pvt. Ltd. – Faridabad, Delhi (Remote)

Nov 2024 – 2025

- Collaborated with internal teams to support delivery of internal demo and proof-of-concept (PoC) web projects for service-based clients.
- Conducted detailed requirement gathering and documentation for internal tools simulating real business cases (e.g., appointment booking, eCommerce workflow, portfolio sites).

Business Development Manager, Scrum Digital Pvt. Ltd – Jaipur

April 2024 – October 2024

- Conducted market research and identified key stakeholders to align business goals and solutions.
- Led pre-sales activities across platforms such as LinkedIn Sales Navigator, Upwork, Freelancer, Apollo.io, and Lusha to generate new business opportunities.
- Gathered and analyzed business requirements through direct client interactions.
- Coordinated effectively between developers, the SEO team, and clients to ensure timely and quality project delivery.
- Managed end-to-end client engagement, including project scoping, delivery tracking, and post-sales support.

- Created and presented client-specific proposals, RFPs, and scope documents to win contracts and clarify deliverables.
- Collaborated closely with internal teams to ensure smooth execution of deliverables, boosting customer satisfaction.
- Handled client communication via calls and email campaigns, supporting lead nurturing and project updates.
- Gained exposure to multiple domains, including Healthcare, SEO, CMS platforms, and AI chatbots.

Senior Business Analyst, Decipher Zone Technologies Pvt. Ltd – Jaipur

Oct 2018 – March 2024

- Collaborated with sales and technical teams to gather client requirements and deliver tailored IT and digital solutions.
- Assisted in project planning by defining scope, setting objectives, estimating timelines, and coordinating resource allocation.
- Monitored project milestones and provided regular progress updates to both internal teams and external stakeholders.
- Developed high-quality marketing assets including resumes, company profiles, and project portfolios to strengthen the company's brand presence.
- Played a key role throughout the project lifecycle—from initiation and requirement analysis to delivery and closure.
- Built and nurtured long-term client relationships through consistent engagement and proactive communication.
- Delivered product demonstrations, client presentations, and interactive workshops to showcase solution capabilities and business value.
- Provided post-sales support including onboarding assistance, user training, and addressing client queries or issues.
- Conducted timely follow-ups to ensure client satisfaction, gather feedback, and identify opportunities for upselling or cross-selling.
- Managed client communications via calls and emails, ensuring clarity, responsiveness, and client alignment throughout the engagement.
- Gained cross-domain experience in sectors such as E-commerce, Banking, Fintech, Real Estate, Travel & Hospitality, and ERP solutions.
