PROFESSIONAL SUMMARY

Analytical and detail-oriented aspiring Business Analyst with a strong foundation in business process analysis, data visualization, and stakeholder collaboration. Proficient in SQL, Excel, Power BI, and Python. Demonstrated ability to derive actionable insights from large datasets and present data through interactive dashboards. Eager to contribute to data-driven decision-making and product strategy in a tech-driven team.

EDUCATION

Shri Ramdeobaba College of Engineering and Management (RCOEM) Master of Computer Applications, CGPA: 8.07/10	Nov 2022 – May 2024 Nagpur, India
---	--------------------------------------

TECHNICAL SKILLS

- **Languages & Tools:** Python, SQL, Excel, Power BI, Tableau (familiar)
- **Databases:** Oracle, MySQL
- **Frameworks & Libraries:** Pandas, NumPy, Bootstrap
- **Concepts:** SDLC, Agile & Scrum, BRD, FRD, SWOT, GAP Analysis
- **Tools:** JIRA(basic), Excel Macros/VBA (basic), DAX

PROJECT EXPERIENCE

Retail Sales Performance Dashboard	April 2025 Power BI, Excel
---	------------------------------

- Analyzed 4,000+ sales records from a retail dataset to uncover performance trends across regions, categories, and customer segments.
- Built an interactive Power BI dashboard featuring 6 dynamic KPIs (e.g : Total Sales, Profit, Discount %)
- Identified 15% higher profit margins in the Furniture category, supporting data-driven sales prioritization.
- Automated sales reporting and reduced manual analysis time by 40% through dashboard-driven insights and slicer-based filtering.

HR Data Analytics Dashboard	March 2024 Excel, Power BI
------------------------------------	------------------------------

- Designed and developed a Power BI-based HR Analytics Dashboard to analyze employee attrition trends and organizational growth factors optimizing data processing time by 25%.
- Utilized advanced DAX functions for accurate data calculations.
- Created visually appealing dashboards to present 5+ key performance indicators (KPIs), simplifying complex data into actionable insights.
