-

WORK EXPERIENCE

Business Analyst , AdlerQA Technologies

Jan 2024 - April 2025

- Acted as a liaison between business and IT teams to gather, analyze, and translate requirements into actionable solutions.
- Contributed to key client engagements, including Yara International, by conducting gap analysis, defining business needs, and delivering insights.
- Collaborated with stakeholders to document business and functional requirements and support cross-functional solution delivery.
- Led in-house projects with a team of four, conducted daily Scrum standups, tracked tasks, and ensured alignment with goals.
- Maintained Scrum practices, sprint planning, and team coordination to drive efficient and timely project execution.
- Mentored interns by assigning tasks, hosting regular check-ins, and supporting their professional development.
- Conducted interviews, hired full-time employees and interns, and assisted in team expansion and onboarding.
- Strengthened team collaboration and project outcomes through clear communication and proactive leadership.
- Managed the social media presence for a company sub-brand, including content planning, design coordination, and publishing.
- Directed content and visual planning for company's websites . ([Adlerdev](#) & [AdlerQA](#))
 - Oversaw graphics, logo, content, layout, and team coordination.
 - Ensured timely delivery through Agile and Scrum methodologies.

Business Development Executive, Codemeg Soft Solutions	June 2023 - Dec 2023
- Assisted in identifying potential clients through market research as a freelancer using platforms like LinkedIn, industry forums, and business directories. - Scheduled and followed up on client meetings, supported outreach efforts, and maintained CRM records to ensure consistent communication. - Contributed to proposal drafting and initial client communication, while learning the basics of negotiation and client need analysis.	

Marketing Intern, Indian Steel Corporation Ltd.	July 2019 - Aug 2019
- Learned the basics of material bidding and procurement, including how to analyze quotations and support vendor negotiations. - Attended internal and client meetings, gaining exposure to marketing strategies, client requirements, and industrial sales processes. - Assisted in preparing pricing sheets, maintaining vendor databases, and supported the marketing team in day-to-day operations.
