G H Raison College of Engineering and Management , Nagpur

August 2023 – June 2025

- Master in Computer Application (MCA)
- CGPA: 7.30/10.0

Santaji Mahavidyalaya , Nagpur

June 2018 – September 2021

- Bachelor of Science (Computer Science)
- Percentage : 72.67%

WORK EXPERIENCE

Babhale Infotech Solutions LLP - Nagpur, Maharashtra

Jan 2025 – Jun 2025

Full Stack Developer Intern

- Developed and deployed full-stack web applications using the MERN stack, delivering responsive and scalable solutions.
- Built dynamic frontend interfaces with React.js, Tailwind CSS, and JavaScript, ensuring mobile-friendly user experiences.
- Designed RESTful APIs and implemented authentication using Node.js, Express.js, MongoDB, React Hooks, Context API, and JWT for secure data handling and smooth user sessions.

TECHNICAL SKILLS

- Languages: JavaScript (ES6), TypeScript, Python, C
- Frontend: React.js, HTML5, CSS3, Tailwind CSS, Bootstrap, React Router, React Hooks
- Backend: Node.js, Express.js, RESTful APIs, JWT Authentication, bcrypt.js
- Database: MongoDB, Mongoose, MySQL, NeonDB
- Tools & Platforms: Git, GitHub, Postman, VS Code, npm, Vite, Cloudinary
- Other: Responsive Design, API Integration, CRUD Operations, MVC Architecture

PROJECTS

ZapKart – E-Commerce Web Application

- Built a full-stack e-commerce application with user authentication, product browsing, cart, and admin panel.
- Integrated JWT-based login, responsive UI, and secure CRUD operations for product management.
- Used React.js, Node.js, Express.js, and MongoDB with tools like Postman and GitHub for testing and version control.

Online Forum Voting System

- Developed a web-based platform for users to create, post, and vote on forum discussions and polls.
- Implemented user authentication, vote tracking, and real-time vote count updates using dynamic UI.
- Built with HTML, CSS, JavaScript, Node.js, Express, and MongoDB; ensured secure and scalable architecture.

CERTIFICATIONS & PUBLICATION

- Certified in MERN Stack From Nagpur IT Training Institute.
- Introduction to Front End Development by Simplilearn .
- “A Review of Cloud Computing’s Impact on Supply Chain Management,” Published in International Journal of Modern Science and Research Technology (IJMSRT) .
