Objective

I'm a recent graduate with internship and freelance experience in data handling, Excel dashboards, and basic SQL. I enjoy working with data, solving problems, and presenting clear insights. Looking for a role where I can keep learning and contribute to meaningful projects.

Experience

- Talentrise Technokrate Pvt. Ltd, Nagpur**

Jan 2025 - June 2025

Data Analyst Intern

Maintained and analyzed operational data such as service request logs, attendance records, and task completion reports.

Created Excel dashboards using pivot tables, charts, and formulas (VLOOKUP, COUNTIF, IF) for weekly reporting.

Tracked and updated client ticket statuses using structured spreadsheets.

Collaborated with the operations and reporting team to improve data accuracy and presentation.

- Freelance Excel & Data Entry Projects**

July 2023 - Dec 2024

Remote

Completed ad-hoc data entry and cleaning tasks for local businesses.

Created Excel templates and reporting sheets based on client needs.

Education

Course / Degree	School / University	Grade / Score	Year
Bachelor of Technology	JD College Of Engineering And Management, Nagpur	First Class	2023
HSC	Gondwana Saniki Vidyalaya, Gadchiroli	First Class	2019
SSC	Dilasagram Convent High School, Ballarpur	First Class	2017

Skills

- Excel: VLOOKUP, COUNTIF, IF, Pivot Tables, Charts, Dashboards
