Durgapur
2012-2016

EXPERIENCE

PRIVATE TUTOR

Self Employed

- Provided personalized academic coaching to over 10 students in Mathematics, Aptitude, Reasoning.
- Developed customized lesson plans and assessment tools.
- Strengthened problem-solving, data interpretation, and interpersonal communication abilities.
- Managed scheduling, client engagement, and progress tracking independently.

Delhi, India
Jun 2016 – Sep 2018

COMPETITIVE EXAM PREPARATION

Self - Directed

- Gained deep analytical, logical reasoning, and data interpretation skills through consistent preparation.
- Developed discipline, time management, and resilience through high-pressure exam environments.

Delhi, India
Dec 2018 – Jan 2025

PROJECTS / CERTIFICATIONS

1. Sales Performance Dashboard | Power BI

- Designed an interactive dashboard to visualize total sales, top-selling products, and revenue trends using mock sales data.
- Created slicers, bar charts, and trend lines for dynamic reporting.

2. Employee Database Management | SQL

- Developed an employee management system using SQL with tables for departments, employees, and salaries.
- Wrote queries to fetch employee counts, salary trends, and department-wise reports.

3. Data Cleaning and Analysis Script | Python

- Built a Python script using pandas to clean and preprocess a sample dataset by handling missing values, removing duplicates, and converting data types.
- Exported the cleaned data for further analysis.
