Career Objective

I am seeking an entry-level position where I can leverage my strong foundational knowledge of Java programming, software development principles, and problem-solving skills to contribute to innovative projects. With a solid understanding of object-oriented programming and the software development lifecycle, I aim to enhance my skills and grow within a dynamic team environment. My goal is to deliver high-quality software solutions while gaining valuable hands-on experience in real-world application development.

Education

Course / Degree	School / University	Grade	Year
Bachelor Of Technology in Electronics and Communication Engineering	Anantha Lakshmi Institute of Technology and Sciences, JNTUA	78%	June-2023
Diploma in Electronics and Communication Engineering	Govt.Polytechnic for Women's Palamaneru	88%	April-2020
X-STANDARD(SSC)	Viswam English Medium High School, Ap Board of Secondary Education	87%	May-2017

Project

Title: Data Uploading to Webserver Using Arduino Uno in IoT

Duration: Final Year Project (B.Tech)

Objective: To build a system where sensor data collected through Arduino Uno is uploaded securely to a webserver for monitoring and analysis.

Highlights:

- Used Arduino Uno for data collection from sensors
- Established HTTP-based communication with a local webserver
- Secured the data transmission using hotspot ID authentication
- Displayed the stored data in browser interface for real-time monitoring

Technologies Used:

Arduino IDE, Embedded C, HTML, HTTP Protocol

Internship

Organization: Kaynes Interconnect Pvt. Ltd., Bangalore

Duration: 6 Months (Nov 2019 – May 2020)

Role: Electronics Intern

Responsibilities:

- Performed soldering and component assembly on PCBs
- Tested cables for connectivity and performance
- Assisted in quality checking of finished electronic products

Skills

Programming: Core Java, JDBC, Servlets

Web Technologies: HTML, CSS, JavaScript

Database: SQL (Queries, Joins, Constraints)

Tools/IDE: Eclipse

Training: Completed Java, SQL, and UI Modules at Naresh I Technologies, Hyderabad

Strength

- Strong problem-solving and analytical skills
- Ability to adapt quickly to new tools and environments
- Excellent time management and organizational skills
- Passionate about continuous learning and self-improvement
- Team player with effective communication skills

Languages

- **English** – Full Professional Proficiency
- **Telugu** – Native
- **Hindi** – Limited Working Proficiency

Personal Details

Name : Aduri Padmaja
Father's Name : Aduri Venkat Ramana
Mother's Name : Aduri Lakshmi lavanya
Date of Birth : 05 May 2001

Declaration

I hereby declare that the information furnished above is true to the best of my knowledge.
