

AKASH PARLEY

Aspiring Data & Business Analyst

 [+91 9528799931](tel:+919528799931) |  akashparle786@gmail.com |  [Linkedin](#) | [Github](#)

Summary

Data Analyst with 6+ months of experience in SQL, Python, Tableau, Excel, and Power BI. Proficient in transforming raw data into strategic insights for business growth. Experienced in building interactive dashboards, optimizing SQL queries, and performing end-to-end data analysis across sales, marketing, and product datasets.

Technical Skills

- **Languages and DataBases:** Python, SQL, MySQL, DAX, VBA
- **Visualization Tools:** Tableau, PostgreSQL, Advanced Excel (**Pivot Tables, VLOOKUP, Macros**), PowerPoint
- **Platforms:** Visual Studio Code, Cursor, Git/Github, ChatGPT
- **Technologies and Libraries:** NumPy, Pandas, Matplotlib, Seaborn, Linux
- **Soft Skills:** Problem-solving, Teamwork, Communication, Creativity, Adaptability, Self-motivated
- **Other :** Data Science, ETL, EDA, Machine Learning Models, Statistics, KPI Tracking, Predictive Analytics, GenAI

Work Experience

Data Analyst Intern | INFOTACT SOLUTIONS |

December 2024– March 2025

Project: IPL Data Analysis [LINK](#)

- Performed in-depth **EDA** on IPL **Large datasets** using **Python (Pandas, NumPy, Matplotlib, Seaborn)** to analyze team and player performance metrics (e.g., strike rates, win-loss trends)
- Developed **interactive Tableau dashboards** to visualize batting, bowling, and overall team performance, enabling clear insights for data-driven decision-making.
- Delivered insights that could support strategic team selection and performance optimization, showcasing how data-driven decisions improve competitive outcomes.

Data Analyst Intern | INNOBYTE SERVICES | [LINK](#)

January 2025– February 2025

- Cleaned and standardized large datasets using **Excel and VBA scripting**, improving data consistency and reducing manual processing time by 40%.
- Developed **interactive Tableau dashboards** to visualize key business metrics such as **sales performance, product trends**, and **customer behavior** across regions.
- **Business Impact:** Delivered insights on geographical sales distribution, product preferences, and customer segmentation, enabling improvements in inventory management and sales strategies.

Projects

Stocklyzer : Stock Analysis and Forecasting Web App using Financial Models | [LINK](#)

July 2025

- Developed a real-time **stock analysis web app** using **Streamlit**, integrating **yFinance API**, **ARIMA** modeling, and interactive dashboards for trend forecasting and investment insights.
- Implemented **CAPM-based financial analysis**, technical indicators, and price prediction features to support data-driven decision-making. Deployed the application on **Streamlit Cloud**, enabling public access and showcasing proficiency in **Python, pandas, Plotly**, and end-to-end **data app development**.

Netflix Movies and TV Shows Data Analysis | [LINK](#)

September 2024– October 2024

- **Data Analysis & Insights:** Cleaned and analyzed **8,500+** Netflix titles using SQL, uncovering trends like a 15% annual release growth and dominant ratings (TV-MA for shows, PG-13 for movies).
- **Interactive Visualizations:** Built **10+ Tableau dashboards** features showcasing regional content trends, rating distributions, and keyword categorizations.
- **Business Impact:** Delivered actionable insights to optimize content strategy, audience targeting, and regional market.

Spotify Query Optimization and Data Analysis | [LINK](#)

July 2024 –August 2024

- **Data Cleaning & Preparation:** Standardized a **50,000+** track dataset in Excel, ensuring consistency across artist names, album types, and attributes before PostgreSQL analysis.
- Improved **SQL query performance by 50%** using indexing, CTEs, and window functions to analyze top tracks and streaming patterns.
- Created dashboards revealing that **90% of top tracks** were singles and energy levels drive genre-based streaming, supporting content strategy.

Education

Indian Institute of Information Technology Kota

Bachelor of Technology in Electronics and Communication

Sep 2021 – May 2025

Kota, Rajasthan

Certification

- **IBM Generative AI:** Enhance your Data Analytics Career! [CERTIFICATE](#).
- **Google Foundation of Data Analyst** | [CERTIFICATE](#)
- **Deloitte Australia Data Analytics Job Simulation** on Forage [CERTIFICATE](#)
