PROFESSIONAL EXPERIENCE

Benefit Analyst Junior | Carelon Global Solutions

Oct 2024 - Present

- Conducted 40+ benefit analysis while maintaining an overall 100% audit score and 100% productivity every month.
- Contributed to transitioning from a multiple report system to a single tracker, improving data accuracy and streamlining process.

Business Analyst Intern | Celebal Technologies

June 2024 – Aug 2024

- Optimized **Power BI** and **MS Excel** for exploratory data analysis and ETL.
- Completed daily & weekly tasks given by mentor, resulting in effective time management and efficiency.
- Conducted in-depth data analysis, resulting in the identification of key trends and insights which can be used for strategic decision-making processes.

HR Intern | GFL Recruitment Private Limited

Sep 2021 – Nov 2021

- Maintained several job boards and constant client communication, which enhanced multitasking and client management skills.
- Managed the onboarding process, ensuring smooth integration of new hires.
- Daily interactions with more than fifty applicants cultivated interpersonal and communication skills.

PROJECTS

BOT Performance Analysis (Power BI)

- Developed a sophisticated admin dashboard to evaluate the performance of all BOTs across the departments using Power BI and MS Excel.
- Identified cost effective APIs and technologies based on usage and performance. Tracked departments requiring performance and cost optimization resulted in data-driven decisions.

Credit Card Financial Report (Power BI)

- Developed an interactive dashboard using transaction and customer data from a SQL database, to provide real-time insights.
- Streamlined data processing and analysis to monitor key performance metrics and trends.

HR Attrition Analysis (Tableau)

- Analyzed employee data to identify KPIs and factors contributing to high turnover rates.
- Utilized Tableau to create interactive dashboard, visualizing attrition trends by department, education field, age group and gender.

CERTIFICATIONS

- AICTE Training and Learning (ATAL) FDP on Big Data and Business Analytics **Oct 2023**
- IIMBx Honor Code Certification on Managing Innovation **Apr 2024**
- Accenture North America Data Analytics and Visualization Job Simulation on Forge **Sep 2024**
- IBM Design Thinking **Feb 2025**

ACCOMPLISHMENTS

- Spearheaded a team of five members in two State-Level Camp of Youth Red Cross.
- Secured 3rd rank in 15th Sub-Junior National Double Wicket Cricket Championship.
- Won 1st prize in solo-song in State-Level YRC Camp [Kurukshetra].
