SKILLS

Artificial intelligence
Machine learning

Python
SQL

Power BI
MS Excel

EXPERIENCE

Web Design Intern

Rash Technologies pvt ltd *Jun 2023 - Aug 2023*

- Assisted in creating visually appealing and responsive websites using HTML, CSS, and JavaScript. Collaborated with the team to enhance user experience and ensure cross-browser compatibility.

PROJECTS

AI-Powered Chatbot for Simple Query Handling

Developed an AI-powered chatbot to handle simple user queries using NLP techniques. Integrated with a database for real-time responses and improved user interaction.

Netflix Dashboard Using Power Bi

Designed a Power BI dashboard to analyze Netflix stock trends, including daily, monthly, and quarterly prices. Utilized visual tools like slicers and charts for actionable insights.

Facial Recognition System

Built a facial recognition system using the Face_Recognition library and OpenCV for real-time detection and identification. Implemented image processing techniques to enhance accuracy and performance.

EDUCATION

Master of Computer Applications

Chandigarh University *Aug 2023 - May 2025*

- Specialization - **Artificial Intelligence And Machine Learning**

Khara, Mohali , Punjab

Bachelor of Computer Applications

Manav Rachna University *Apr 2020 - Jun 2023*

Faridabad, Haryana

CERTIFICATION

Introduction to Artificial Intelligence

Business intelligence and data analytics

Python Programming

Data visualization and dashboards
