10th | Saraswati Shishu Vidya Mandir

2015-2016

I have completed my 10th with aggregated 83 percentage.

INTERNSHIP EXPERIENCE

- **Sequospace Pvt. Ltd.:** I have Gained experience in microservices fundamentals, web crawling, web scraping, and performed REST API CRUD operations using the Spring Boot framework with backend connection to the **Database Mysql**.
- **IBM Frontend Development Internship:** In this internship, I learned effective teamwork and collaborated with my team to develop a responsive educational website promoting sustainable development, allowing learners to access tutorials on HTML, C++, and Java.
- **Prodigy Infotech Pvt. Ltd.:** During this internship, I worked with HTML, CSS, and JavaScript to build responsive websites, including a stopwatch and a weather website with API integration. I also developed a Tic-Tac-Toe website, created repositories on GitHub, and deployed the projects.
- **Bharat Intern:** In this internship, I focused on frontend development using HTML and CSS, creating and deploying a portfolio website and a Netflix home page design through GitHub.

CERTIFICATION

- SAP CERTIFIED ASSOCIATE - BACK-END DEVELOPER - ABAP CLOUD
- IBM WEBDEVELOPMENT FUNDAMENTALS
- CISCO NETWORKING ACADEMY CERTIFICATION COURSE FOR PROGRAMMING ESSENTIALS IN C.

PROJECT WORK

- I have developed a University Management System featuring fully functional modules for login, registration, password updates, account deletion, and a 'Contact Us' page. The backend was implemented using Servlet and JSP, while data management was handled via XAMPP web server and MySQL.

ACTIVITIES

I have actively participated for event management, I have also like to draw paintings etc.

SKILLS: C/C++, JAVA, SQL, PL/SQL, GIT/GITHUB, HTML, CSS, JAVASCRIPT, BASIC REACTJS
