

ANKIT ISHWAR PATIL

Pune, Maharashtra, India

☎ +91-8668820473 ✉ patilankit312@gmail.com 🔗 LinkedIn 🐙 Github 🗣 Hugging Face

OBJECTIVE

A certified AI and Data Science professional with experience in developing AI solutions, analyzing datasets, and implementing cloud systems. Proficient in Python, SQL, and Microsoft Azure, with a strong focus on delivering data-driven insights and driving business outcomes. Seeking opportunities to contribute to innovative, growth-oriented projects.

SKILLS

- **Programming Languages:** Python, C, R (Basics)
- **Data Processing Tools:** Numpy, Pandas
- **Data Visualization:** Power BI, Microsoft Excel, Seaborn, Matplotlib
- **Database:** MySQL
- **Cloud Technologies:** Azure (Blob Storage, Data Factory, Azure Synapse Analytics, Azure AI Services) AWS (S3, Athena, QuickSight, Glue), Container, Docker
- **Natural Language Processing:** NLTK, LangChain, Hugging Face, LLM, Vector Database
- **Deep Learning:** Neural Networks
- **Version Control:** Git, GitHub
- **Statistical Analysis:** Hypothesis Testing, Data Analysis, Feature Engineering
- **Deployment:** Streamlit, Gradio, FastAPI
- **Mathematical Foundations:** Statistics, Probability, Linear Algebra, Calculus

EXPERIENCE

- **GlobalBees** Feb 2025 – Present
Junior Associate Onsite
 - Building and deploying AI-driven automation workflows to enhance operational efficiency and streamline cross-team collaboration.
 - Optimizing business processes by integrating AI agents with task management systems, improving task delegation and scalability.
- **Infosys Springboard** Nov 2024 – January 2025
Data Visualization Intern Remote
 - Created an interactive Power BI dashboard to visualize Air Quality Index (AQI) data for trend analysis and regional comparisons.
 - Preprocessed air quality and meteorological data, ensuring clean and structured datasets for visualization.
 - Integrated the dashboard into a Streamlit web app, providing an intuitive interface for users and ensuring functionality through testing.
- **Findability Sciences** April 2024 – May 2024
Data Science Intern Onsite
 - Contributed to data analysis projects using ML techniques to derive insights from large datasets.
 - Built predictive models, performed data preprocessing and visualization to support business decisions.

PROJECTS

- **AIHireHub: AI Driven Recruitment Platform**
Tools: Pandas, Streamlit, PyPDF2, LangChain, FAISS, Selenium and Google Gemini
 - Developed AIHireHub, an AI-powered recruitment platform using NLP and LLMs for resume analysis and job matching with LinkedIn job scraping.
 - Designed platform architecture, integrating resume parsing, semantic matching algorithms, and an interactive Streamlit UI for real-time analysis and personalized recommendations.
- **Product Search Engine and Recommendation System**
Tools: Pandas, NumPy, NLTK, Scikit-learn (TF-IDF Vectorizer, Cosine Similarity) and Streamlit
 - Developed a product search engine using NLP techniques to enable efficient product search within the Amazon Product Dataset.
 - Implemented cosine similarity to match user queries with product information, improving search accuracy and relevance.
- **LexifyAI – AI-Powered Legal Assistant**
Tools: Python, PyPDF2, Selenium, ChromaDB, LangChain and Llama
 - Developed an AI chatbot to assist users in understanding legal queries based on recent changes in Indian law (IPC to BNS).
 - Integrated natural language processing (NLP) models for real-time, informative responses.

EDUCATION

• Maharashtra Institute of Technology <i>Bachelor of Technology in Artificial Intelligence and Data Science</i>	<i>Dec 2021 – May 2025</i> Chhatrapati Sambhajinagar, India
• Maharashtra Institute of Technology <i>Honor in Cloud Computing</i>	<i>March 2023 – May 2025</i> Chhatrapati Sambhajinagar, India
• Udacity <i>Nanodegree in AI Programming with Python</i>	<i>June 2024 – Oct 2024</i> Chhatrapati Sambhajinagar, India

CERTIFICATIONS

- **Microsoft Certified: Azure AI Engineer Associate**
- **Microsoft Certified: Azure AI Fundamentals**
- **Microsoft Certified: Azure Data Fundamentals**
- **Microsoft Certified: Azure Fundamentals**
- **Oracle Cloud Infrastructure: Generative AI Certified Professional**
- **Redhat Certified: Redhat Certified System Administrator**
- **IBM Data Science Professional Certified**
- **Datacamp Certified: Data Analyst in Power BI**
- **NPTEL Certified: Data Analytics with Python**
- **NPTEL Certified: Big Data Computing**

HONORS AND AWARDS

- **AWS AI/ML Scholar**
