Professional Identity - Who I Am

A seasoned professional with 5+ years of comprehensive experience spanning **IT, Healthcare IT, International Sales, and Recruitment across BPO and consulting industries**. I have held critical roles such as **Strategic Account Manager and Lead for PAN-India IT Recruitment**, with deep expertise in delivering talent solutions and managing revenue-generating accounts across India and the GCC region.

Partnered with Fortune 500 clients and leading enterprises including **Accenture, TCS, Wipro, Citius Tech, BirlaSoft, Global Logic, Ness Digital Engineering, and Publicis Sapient**, supporting their hiring and talent strategy for both full-time and contract roles (**FTE, C2H**).

My hands-on experience includes:

- Strategic Account Management for high-value, global recruitment clients
- Executive Search and specialized hiring across technologies and industries
- Managing end-to-end recruitment operations, from stakeholder alignment to delivery and post-placement engagement.

Career Objective - What I Want to Be

To secure a **Strategic Account Manager** role, deepening expertise in **ERP Solutions, SaaS, PaaS, Cloud Services, Data Engineering, AI/ML, Semiconductors, Robotics, Manufacturing Automation and other emerging technologies** - while leveraging my strong **Talent Acquisition(Sales)** foundation in **IT Services, Consulting, and Global Recruitment (GCC, C2H, Executive Search)**.

Passionate about driving business growth through innovative technology solutions, strategic partnerships, and market expansion.

Education

Master of Business Administration (MBA) – Marketing & Human Resource Management
Jain University, Bangalore
Awaiting Final Results – 2025

Bachelor of Computer Applications (BCA) – Specialization in Python and Java Programming
Maulana Abul Kalam Azad University of Technology (MAKAUT), West Bengal
Graduated: 2020
