INTERNSHIP EXPERIENCE

- Intern | Cognizant
- Associate Business analyst intern | Dentsu - Sokrati Technologies Pvt. Ltd.
 - Worked for Purple , analysing and optimising strategies for metrics and KPI on meta.
- Machine Learning Project Intern | Topographix Equipments Pvt. Ltd.
 - Domain : Neural network, Generative AI , LLM, Deep Learning
 - Real world sports project to track player movement and display results after analysis.
- Data analyst and Project manager| Aspire Knowledge and Skills India Pvt.Ltd.
 - Worked on Projects under Skill India, Ministry of Skill development & entrepreneurship of India
 - Tech Stack: PL/SQL, Git-version control , simplified reporting time by 40%

PROJECTS

Sports Player Movement Tracker and Analyzer

- Sponsored project with “Topographix equipment Pvt. Ltd.”
- Building AI/ML model using Yolov8 with CNN

Stock prediction application: Flutter, Flask

- Data science model using LSTM, frontend in flutter and backend in Flask API.

SKILLS AND CAPABILITIES

- Programming languages: Python,Java, PL/SQL
- Microsoft Power BI , fabric analytics, Advanced excel, Google analytics, Tableau
- Database: MySQL, MongoDB,Query Optimization
- Agile(SCRUM/KAMBAN) , Notion, Trello, Jira

CERTIFICATIONS

- PL-300: Microsoft certified Power Bi data analyst
- Atlassian Agile Project Management Professional certificate
- Kaggle: Introduction and Intermediate Machine learning
- DP-600: Microsoft certified Fabric analytics engineer
- Google: Introduction to LLM , Responsible AI , Generative AI

EDUCATION

- | | | |
|--|--------------------------|--------------------|
| • BE: Electronics and computer engineering Honours in Data science | | |
| Progressive Education Society's Modern College Of Engineering | CGPA:9 | 2021 - 2025 |
| • HSC :Science stream(PCM+CS) | | |
| Maharashtra education society's Junior college | Percentage:91.67% | 2019 - 2021 |
| • SSC : New India School | Percentage:87.8% | 2005 - 2019 |

VOLUNTEERING/ACHIEVEMENTS

- Best Outgoing student award at PES modern college of engineering
- State level ug project competition Rank 1: M-Exhibit
- Beta Microsoft learn student ambassador
- SPPU rank 1 in Third year in branch of ECE.
- President|Electronics and computer engineering students's association(E-CESA)
- Conducted various hackathons , seminars, technical workshops , social and techno-social activities.
