

BRIEF SUMMARY

"Dedicated electrical engineering graduate with a strong foundation in electrical systems and circuits. Proficient in MATLAB, AUTOCAD, and circuit analysis. Strong problem-solving and communication skills, adapt to new technologies."

KEY EXPERTISE

1. Programming languages: C, C++, MATLAB Basic Knowledge
2. Design and simulation tools: AutoCAD
3. Electrical systems: Circuit analysis, Power system, Machine Design, control system.
4. Electronics: Power and Analog electronics

EDUCATION

Sagar Group of Institutions - SISTec B.Tech. - Electrical Engineering - SISTec-E CGPA: 6.94 / 10	2022 - 2026
Government Higher Secondary School Paradshinga, Chhindwara 12 th MPBSE Percentage: 90.80 / 100	2021
Government high school Tinkheda, Chhindwara 10 th MPBSE Percentage: 89 / 100	2019

PROJECTS

Smart shoes Mentor: Namrata ma'am Team Size: 5 Key Skills: embedded system circuit design, pcb design Smart shoes for blind person. My role is soft skills and using of a Arduino Uno using of c++ The project utilizes sensors to detect obstacles in the user's path and provide feedback through haptic and/or auditory cues.	02 Sep, 2024 - 07 May, 2025
Automatic agriculture system Mentor: vinod sir Team Size: 3 Key Skills: pcb circuit, PCB Design An automatic agriculture system, also known as a smart farming.	06 Jul, 2023 - 20 Jul, 2023

ACHIEVEMENTS

- o National science day Project competition: Winner first prize

ASSESSMENTS / CERTIFICATIONS

Power Distribution institute name: Power Distribution Training center Bhopal

Key Skills: Transformer, PLC, Scada

PDTC in Bhopal is an autonomous training institute promoted by Madhya Pradesh Madhya Kshetra Vidyut Vitran Company Limited (MPMKVVCL)

NPTEL Certificate

Aggregate: 56 / 100

Key Skills: 1. Energy generation and distribution. 2. Emission control and management.

"Process operation, emission control, energy generation, waste management, and data analysis."

SEMINARS / TRAININGS / WORKSHOPS

LED workshop Institute Name: sistec -E ratibad bhopal

23 May, 2024 - 24 May, 2025

Key Skills: LED making circuite analysis

LEDs hav revolutionized the lighting industry with their efficiency,longvity,and versatility.

EXTRA CURRICULAR ACTIVITIES

- o poster making

PERSONAL INTERESTS / HOBBIES

- o Cooking,Plantation,watching information video for electrical engineering

IMs

- o Lync - Linked
