WORK EXPERIENCE

Member Of Technical Staff

Dec' 2023 - Present

Mercer Mettl | Gurgaon, Haryana

Customer Churn Prediction & Retention Strategy

- Developed a churn prediction solution for a **digital subscription platform** by engineering **40+ behavioral features**(usage frequency, complaint history, subscription age, etc.) to segment at-risk users.
- Trained and evaluated **classification models (Logistic Regression, Random Forest)** and used **Power BI** to visualize churn drivers for **business stakeholders**. Collaborated with marketing to implement targeted retention workflows.
- **Reduced churn by 18% and improved monthly retention rate by 12% within three months post-deployment.**
- **Tech Stack:** Python, Scikit-learn, Pandas, Power BI, SQL, Excel

AI-Powered Sentiment Analysis for Customer Feedback

- Designed and implemented an **NLP-based pipeline** to analyze open-ended **customer feedback** from surveys, reviews, and support tickets.
- Used **TextBlob, NLTK**, and **custom keyword extraction** to classify feedback into **sentiment and theme clusters**, enabling **root-cause analysis** for product and service teams.
- **Boosted CSAT scores by 15% and reduced UX complaints via prioritized improvement roadmaps.**
- **Tech Stack:** Python, TextBlob, NLTK, Power BI, Excel, JIRA

Sales Forecasting & Inventory Optimization

- Built a **predictive sales forecasting system** using **historical demand, seasonal trends, and promotion impact** across product categories in a retail chain.
- Developed and tuned **time series models (ARIMA, Prophet)** and integrated forecast insights with **interactive dashboards** to support the **supply chain team**.
- **Improved inventory turnover by 22% and reduced stockouts by 30% over two quarters.**
- **Tech Stack:** Python, Prophet, Pandas, SQL, Tableau, Excel

EDUCATION

Bachelor of Technology in Computer Science

Aug 2020 - July 2024

NIIT University | Neemrana, Rajasthan

- Specialization: Data Science
- CGPA: 7.0

Higher Secondary School Certificate

Aug 2018 - May 2020

Mount Litera Zee School | Alwar, Rajasthan

- 86.00 %
