SUMMARY

Detail-oriented and analytical recent graduate with a strong foundation in data analysis, machine learning, and statistical modeling. Proficient in Python, R, SQL, and various data visualization tools like Excel and Power BI. Skilled in using data science libraries (NumPy, Pandas, Scikit-learn) and deep learning frameworks (TensorFlow, Keras). Eager to apply problem-solving skills, machine learning techniques, and statistical knowledge to derive insights and drive data-driven decision-making in a fast-paced environment. Seeking a Data Analyst/Scientist role to contribute to impactful data projects.

TECHNICAL SKILLS

Programming Languages: Python, R, SQL, MATLAB

Deep Learning Frameworks: TensorFlow, PyTorch, Keras

Machine Learning Libraries: NumPy, Pandas, Scikit-learn, Matplotlib, OpenCV

Data Visualization Tools: Jupyter notebook, Advanced Excel, Power BI, Power BI Desktop, Power BI Query, DAX

Statistics, Regression analysis, Hypothesis testing, Clustering, Problem Solving, Communication, Critical Thinking, Story telling

PROJECTS

Fake News Detection Using Machine Learning

Machine Learning Project

Sep 2023 – Nov 2023

Python, Numpy, Matplotlib

- Developed fake news detection system for identifying and classifying fake news articles
- Utilized machine learning and NLP to analyze text features and detect patterns indicative of fake news.

SuperStore Sales Dashboard

Power BI Project

Aug 2024 – Sep 2024

Data visualization, DAX, Excel

- Incorporated data analysis techniques, specializing in time series analysis, to deliver valuable insights
- Accurate sales forecasting, and interactive dashboard creation and driving business success.

Pizza Sales Report Using Power BI

Power BI Project

July 2023 – Aug 2023

Power BI, SQL

- Pizza sales report utilizing SQL queries and Power BI visualization tool
- Analyzed sales data to identify trends, patterns, and insights

EDUCATION

Savitribai Phule University

M.Sc. in Data Science (Computer Science)

Pune, Maharashtra

Sep 2022 – July 2024

North Maharashtra University

B.Sc. in Statistics

Jalgaon, Maharashtra

July 2019 – Aug 2022

EXPERIENCE

InGrade

Data science intern

March 2025 - June 2025

CERTIFICATIONS

- Data Analysis with python
- Data visualization with python
- Machine learning with python
