- **ANS It India Pvt. Ltd. Surat, Gujrat** Oct.2024 - Present
Finance & Admin
 - I have experience in managing daily financial operations, overseeing tasks such as financial reporting, account reconciliation, and ensuring the accuracy of all accounting records.
 - I have a strong background in conducting internal audits, assessing financial controls, and ensuring compliance with relevant laws and regulations.
 - I have managed both accounts payable and receivable processes, ensuring timely and accurate processing of

vendor payments, invoicing, and collections.

- I am experienced in overseeing asset management, including the accurate recording, tracking, and reporting of company assets. This includes implementing effective procedures for asset acquisition, maintenance, depreciation, and disposal.
- I have actively been involved in stock management, ensuring that inventory levels align with demand while minimizing excess stock. My role includes also in procurement.
- I have been actively involved in customer retention efforts by monitoring and addressing customer accounts to ensure satisfaction and prompt payments. I work closely with clients to resolve any billing issues, ensuring timely payment collections and maintaining strong relationships. This also includes implementing strategies to improve the payment cycle and reduce overdue accounts.
- Additionally, I have supported recruitment and human resource management, handling employee records.
