About me

I am a passionate Biotechnology student currently completing my dissertation for MSc Biotechnology and my Online MBA Program in Finance and Marketing. I am aiming to secure an entry level position at a suitable organization where I can utilize my skills appropriately.

Education

M.Sc. Biotechnology	2023-2025
Thapar Institute of Engineering and Technology	
Current CGPA – 8.48	
MBA Finance and Marketing (Online Regular Program)	2023-2025
Chandigarh University	
Current CGPA – 8.57	
B.Sc. Biotechnology	2020-2023
Chandigarh University	
CGPA – 8.39	

Projects Undertaken

Identification and Analysis of Allergens in Edible Mushroom

Major Research Project

Analysis of Amino Acid Abundances patterns in various proteins

Research Project

BioFinTech: The Next Billion-Dollar Industry You Haven't Heard Of

Major Research Project

Made an Allergen Parameters Tester

A web based tool for testing proteins on allergenic parameters.

Designed an amino acid, dipeptide, tripeptide and tetrapeptide counter

Designed a web based tool to count 20 amino acids, 400 dipeptides, 8000 tripeptides and 160,000 tetrapeptides in fasta files of full proteome.

Certification Courses Undertaken (MOOCS)

- Industrial Biotechnology, University of Manchester
- BioData Processing
- Access Bioinformatics Databases with Biopython
- Unsupervised Machine Learning for Customer Market Segmentation
- The Global Financial Crisis, Yale University
- SARS-CoV-2 Protein Modeling and Drug Docking
- Strategies for Assisted Living Communities During COVID -19 , John Hopkins University
- COVID-19 Contact Tracing , John Hopkins University

Academic Achievements

Qualified Graduate Aptitude Test – Biotechnology (GAT-B), 2023

Qualified CUET-PG Life Sciences 2023

Leadership Experience

Student Placement Representative at TIET, Patiala – coordinated placement drives for various companies visiting the campus for Campus Placements.

Skills

- Industrial Biotechnology Techniques
- Bioinformatics
- Molecular and Analytical Biology Techniques
- Biopython
- Computational Biology
- Organic Marketing
- Leadership
- Financial modelling
- Data Analysis
