OBJECTIVE

Self-motivated, hardworking graduate student seeking to apply broad foundation in engineering principles while providing engineering support and providing exposure to opportunities in computer science and engineering sector.

EDUCATION

✧ **Gouthami Institute Of Technology And Management For Womens, Peddasettypalle.**

Course: B.Tech

2021-2025

Stream: Computer Science and Engineering

Percentage: 81.5

✧ **Sri Chaithanya junior College, Tirupati.**

Course: Intermediate

2019-2021

Stream: MPC

Percentage: 80.6

✧ **Keshava Reddy School, Potladurthi.**

2018-2019

SSC

CGPA: 9.3

TECHNICAL SKILLS

✧ C

✧ PYTHON

✧ JAVA(Basics)

✧ HTML,CSS

INTERNSHIP

✧ I completed Course on “Artificial Intelligence” From 1stop platform.

Project: **ARTIFICIAL INTELLIGENCE** Classification of pets faces. Develop an artificial intelligence-powered system to classify pet faces into dog, cat, and other categories. utilizes computer vision and deep learning techniques to analyze pet images and predict their corresponding categories

- ✧ **LANDMARK DETECTION**,Develop an AI-powered system to accurately detect and locate specific landmarks within images or videos.Utilize deep learning techniques to identify and extract relevant features,enabling precise landmark detection

CERTIFICATIONS

- ✧ Certified in Digital Image Processing by NPTEL
- ✧ Certified in Python Programming and SQL

PROJECTS

- ✧ Predicting flight delays with error calculation Using Machine Learning
Tools: Python, Flask, Scikit-learn, XGBoost, SVM, LSTM, Pandas, Matplotlib
- ✧ Developed a hybrid ML system to predict flight delays using historical flight, weather, and operational data. Integrated ensemble models (Random Forest, XGBoost, SVM) and LSTM for accurate classification and regression. Applied PCA and RFE for feature selection and deployed the model with a Flask-based web app. Achieved high accuracy and real-time adaptability, with visual insights and explainable AI (SHAP) for interpretability.

SKILLS

- ✧ Self-motivated
- ✧ Time management

INTERESTS

- ✧ Listening music and podcasts
- ✧ Travelling

PERSONAL PROFILE

Date of Birth : 21-07-2003

Gender : Female

Permanent Address : Potladurthi (vi),
Yerraguntla (m),
Kadapa (di),
AndhraPradesh,516360.

Languages Known : English, Telugu and Hindi(Read & Write)

Declaration:

I solemnly declare that the information given in this form is true to the best of my knowledge and belief.
