Career Objective

Analytical and performance-driven professional with 1 year of experience as a **Key Account Manager** and hands-on internship experience as a **Business Analyst**. Skilled in client management, data interpretation, and driving strategic decisions through actionable insights. Proven ability to bridge the gap between business needs and data solutions. Eager to contribute to business growth by leveraging my analytical mindset and market understanding. Seeking a challenging role as a **Business Analyst** to apply my skills in a data-driven environment.

Professional Experience

Wcube private limited Key Account manager	May 2024 - May 2025
• Conducted in-depth client research and need analysis to identify business opportunities and support strategic lead conversion efforts. • Maintained and analyzed structured documentation and sales performance records to support data-driven decision-making. • Promoted to Account Manager for consistent achievement of KPIs and strong analytical, problem-solving, and communication skills. • Oversaw existing client accounts, tracked performance metrics, and ensured service delivery aligned with client expectations. • Collaborated with cross-functional teams to assess client feedback, identify operational gaps, and recommend improvements to enhance customer satisfaction and business outcomes.	
Deal Squard Business Analyst Intern	April 2024 - June 2024
• Created a detailed PowerPoint presentation on Deal Squard's internal structure, services, and pricing strategy, enhancing organizational and strategic understanding. • Conducted a competitive analysis report, including SWOT analysis of key competitors, to provide insights into their market positioning and strategies. • Analyzed and cleaned datasets in Excel, identifying key trends for business. • Leveraged Advanced Excel tools such as Pivot Tables, VLOOKUP, and Macros for data cleaning, analysis, and reporting automation. • Developed an interactive dashboard using Tableau, effectively visualizing data to communicate complex information clearly and concisely. • Collaborated with cross-functional teams at Deal Squard to design data models and streamline reporting processes, enhancing business intelligence solutions	

Skills

- Advanced Excel
- SQL
- Visualisation Tools - Tableau, Power BI
- Decision Making
- stakeholders communication
- Requirement gatherings
- Agile methodology basics
