WORK EXPERIENCE

Success Zilla Social Media Agency

Durg, Bhilai

Founder and Manager

Aug 2020 – Mar 2024

- Founded and managed a data-driven social media agency specializing in content creation, account management, and engagement optimization
- Increased conversion rates by analyzing key performance metrics and refining strategies
- Led requirements analysis for client campaigns, boosting engagement and retention.
- Managed a team of 5, ensuring alignment with client objectives and timely deliverables.
- Utilized analytics tools to track performance and optimize campaigns.

Accenture North America Data Analytics and Visualization Job Simulation on Forage

Nov-2024

- Completed a simulation focused on advising a hypothetical social media client as a Data Analyst at Accenture
- Cleaned, modelled and analyzed 7 datasets to uncover insights into content trends to inform strategic decisions
- Prepared a PowerPoint deck and video presentation to communicate key insights for the client and internal stakeholders

PROJECTS

CRM Case Study: Sales Optimization for Northwind Technologies

- Analysed business challenges and developed actionable requirements for a CRM implementation project.
- Created Epics and User Stories with acceptance criteria to address features like Contact Management, Sales Tracking, and Reporting & Analytics.
- Designed a Gantt chart to plan project phases, timelines, and dependencies.
- Built a traceability matrix to ensure alignment between requirements, user stories, and test cases
- Gained hands-on experience with Agile methodologies, requirement elicitation, and project planning tools.

Sales Insights - Brick & motor business Power BI

- Designed a Power BI dashboard to understand AtliQ hardware goods sales trend.
- The final dashboard was effective at displaying the sales trend of AtliQ hardware, allowing users to understand the data and make informed decisions.
- This dashboard could help in increasing the revenue at least by 7% in the next quarter.
