PROFESSIONAL SUMMARY

Result-oriented MBA postgraduate with over 3 years of experience in software project delivery, system integration testing, requirement elicitation, and API testing and documentation. Demonstrated proficiency in developing Functional Requirement Specifications (FRS), Business Requirement Documents (BRDs), and workflow diagrams using industry-standard tools such as MS Visio and Draw.io. Skilled in Agile methodologies, stakeholder engagement, cross-functional collaboration, project monitoring, and user acceptance testing (UAT). Proficient in tools including JIRA, HP ALM, MS VSTS, and the Microsoft Office Suite. Known for strong analytical abilities, process optimization expertise, and the ability to align technology solutions with strategic business objectives.

EDUCATION

MBA (International Business)	Department of Management Studies, Jamia Millia Islamia	Avg. SGPA: 8.5	2023-2025
B. Tech (Electrical Engineering)	IEC College of Engineering & Technology (Under AKTU)	68.6% (7.2 CGPA)	2011-2015
Class XII (CBSE Board)	Delhi Public School	81% (8.52 CGPA)	2010
Class X (ICSE Board)	St. Thomas School	90.1% (9.48 CGPA)	2008

PROFESSIONAL EXPERIENCE

Systems Engineer (Tata Consultancy Services)	- Analyzed business requirements to develop Master Test Plans, Test Scenarios, and Test Cases, aligning with client objectives. - Led cross-functional teams to streamline application performance & usability. - Optimized applications via performance testing to improve resource allocation, identify bottlenecks, and boost commercial outcomes. - Trained & mentored offshore and nearshore teams on new testing tools, ensuring compliance and seamless knowledge transfer. - Adapted to diverse client requirements, delivering tailored solutions across different Lines of Service. - Designed and implemented testing strategies aligning with organizational objectives, ensuring seamless functionality. - Worked closely with quality assurance and audit teams to maintain compliance with testing and reporting standards. - Participated in project monitoring, progress reporting, and client reviews to ensure milestone adherence and quality outputs. - Showcased leadership potential by driving end-to-end solutions in alignment with organizational goals and achieving significant project milestones.	28/12/2015-02/01/2019
---	--	-----------------------

INTERNSHIP EXPERIENCE

Business Analyst Intern (TechZoetic, Dubai)	- Created detailed Business Requirement Documents (BRDs), Functional Requirement Specifications (FRS), and API documentation for Applications' Designed workflow diagrams and process maps using Draw.io and MS Visio to model system functionality and integrations. - Coordinated with developers to ensure seamless API integration and performed API testing. - Used application lifecycle management tools for task tracking, issue logging, and sprint collaboration in Agile environment. - Developed UAT test cases and scenarios, facilitated user acceptance testing, and resolved defects with development teams. - Delivered reports and presentations to senior stakeholders showcasing project status, issues, and performance metrics. - Supported audit compliance by maintaining documentation standards and providing necessary evidence for SLA and security audits. - Led competitor analysis and market research for CRM pricing models (Odoo, Bitrix24), influencing decision-making and client proposals.	01/07/2024-31/03/2025
--	--	-----------------------

Summer Trainee (BHEL, Noida, U.P)	- Summer Intern as a part of mandatory curriculum of Bachelor of Technology in Electrical Engineering at BHEL-PS-NR (Noida, U.P). - Compiled a comprehensive summer internship report on the overview of BHEL and emerging technologies within the electrical engineering sector.	16/06/2014- 29/07/2014
POSITIONS OF RESPONSIBILITY		
Placement Coordinator (Dept. of Management Studies, Jamia Millia Islamia)	- Facilitated strategic corporate engagements, resulting in successful placement initiatives. - Managed student databases and led market research initiatives for lead generation to enhance placements. - Conducted training workshops, webinars, group discussions to enhance student adaptability to industry demands. - Coordinated multiple placements/internships drives while mediating between the HRs and the batch of 2024 and 2025. - Spearheaded the creation of the Annual Brochure, highlighting leadership and management skills by providing useful insights for various dashboards. - Helped students throughout placement/internship drives for their smooth placement process.	01/10/2023- 31/05/2025
Students Chairperson (St. Thomas School's Batch of 2008)	- Led initiatives to promote a vibrant school community, showing leadership and the ability to keep ambitious standards across events and activities. - Successfully managed people and operations, ensuring adherence to school policies and fostering a culture of respect and accountability.	
SKILLS & KEY LEARNINGS		
Tools: HP ALM, HP LoadRunner, Burp Suit, JIRA, MS VSTS, MS Project, MS Visio, Draw.io, Power BI, MS Excel, MS PowerPoint & Word, MS Teams, Canva, G-Suite Methodologies: Agile, Scrum - Business Analysis Requirement Elicitation Functional Requirement Specification (FRS) - API Documentation API Integration & Testing Backend Architecture Understanding - Project Monitoring SLA & Audit Compliance Stakeholder Management - Agile Methodologies JIRA MS Project MS Visio Draw.io MS Office (Excel, Word, PowerPoint, Teams) - Workflow Design Process Mapping Cross-functional Collaboration - UAT Planning & Execution Test Case Design Defect Tracking - Data Visualization & Reporting Power BI Communication & Presentation Skills - Analytical Thinking Problem Solving Documentation		
EXTRA-CURRICULAR ACTIVITIES & ACHIEVEMENTS		
Achievements	- Secured an extension as a part time remote Business Analyst Intern at TechZoetic by demonstrating strong requirement analysis skills, existing system analysis, audit preparation activities and documentation for SLA/security compliance during internship, stakeholder alignment, and process optimization skills that directly contributed to business growth and project success. - Business Rookie Winner at Innovision'15 (IEC Group of Institutions) - Showed strong strategic planning and commercial awareness. - School and Intra School Events: Won accolades/awards in Karate, Athletics, and Science Exhibitions, displaying a commitment to excellence and continuous improvement.
