SUMMARY

Detail- oriented and motivated Computer Engineering student with a strong foundation in Data Analysis, Problem-Solving, Artificial Intelligence and technology-driven solutions. Skilled in Python, SQL, Power BI, and web development technologies, with a keen ability to interpret data and derive actionable insights. Passionate about solving real-world problems using data, design, and intelligent systems through innovative and analytical approach. Strong communicator with leadership experience. Eager to contribute to delivering innovative, data-backed solutions in a collaborative environment.

EDUCATION

Pune Vidyarthi Griha COET (Savitribai Phule Pune University Affiliated) **2022 – 2026**
B.E. Computer Engineering - CGPA - 8.5 *Pune, India*

Dr. Kalmadi Shamrao Junior College **2020 – 2022**
12th HSC Board - Percentage - 84% *Pune, India*

Dr. Kalmadi Shamrao High School **2017 – 2020**
10th CBSE Board - Percentage - 91% *Pune, India*

PROJECTS

Intell-i-invest [🔗](#) | React Js, Node JS **March 2025**

- Integrated **Alpha Vantage API** to fetch real-time equity market data.
- Designed and developed an interactive UI to display **stock performance likelihood** using sentiment analysis
- Implemented risk factor visualization to help users assess investment decisions based on API-driven analytics.

INTERNSHIP

Techenterpreneurs [🔗](#) **Dec 2024 – March 2025**
Web Development Intern *Pune, India*

- Built the frontend of a dental clinic management web application using React TypeScript, **streamlining clinical administration processes.**
- **Conducted API testing and feature validation** using Postman to ensure functional accuracy and performance.
- Implemented UI/UX enhancements and feature updates based on direct client feedback, improving usability and satisfaction.

TECHNICAL SKILLS

Languages: Python, SQL, DAX, C++, JavaScript

Developer Tools: Excel, MySQL, PowerBI, Jupyter Notebook, VS Code, Postman

Technologies/Frameworks: Pandas Library, GitHub, ReactJS, NodeJS

EXTRACURRICULAR

Association of Computer Engineering Students (ACES) **July 2023 – June 2025**
Sponsorship Head *PVG, Pune*

- Increased 70% of the existing funds by capturing sponsorships opportunities
- **Pitched, Negotiated & Formulated MOUs with businesses**
- Designed solutions and changes in system to overcome challenges faced in previous years
- Lead multiple events such as Genesis 2025, Innoverse Hackathon 2025
