PROFILE

I am a highly passionate individual who thrives upon seeking new challenges through my career as a Business Analyst. My initial months of working in the business industry push me to go further in discovering more things in it.

WORK EXPERIENCE

Suvidha Projects
Business Analyst

NOV-2024-APRIL-2025

- Traveled 2 of 5 days to work with clients, observing business processes, interviewing staff, and documenting practices
- Initiated research, analyzed business operations, and problem solved operating inefficiencies.
- Worked with clients and stakeholders to draft and document goals, encouraging transparent communication to meet deadlines

Projects

Market Opportunity Analysis Using ChatGPT

Objective: Evaluate new market opportunities, such as entering the electric scooter market in urban areas.

Approach: Prompt ChatGPT to analyze potential customer segments, challenges, and competitive advantages. For example, "We are considering entering the electric scooter market in urban areas. Provide an analysis of the market opportunity, including potential customer segments, challenges, and competitive advantages."

EDUCATION

Master in Computer Application
Rollwala / Gujarat University

2023-2025

Bachelor in Computer Application
LJ College Of Computer Application

2019 - 2022
