EDUCATION

DELHI TECHNOLOGICAL UNIVERSITY

Bachelor of Technology

Major in Electronics and Communication Engineering; Minor in Computer Science .

New Delhi

Dec 2021 – May 2025

PROJECTS:

Ecommerce Sales Dashboard | *Power BI* | [Github](#)

Apr 2024 - May 2024

- Created interactive dashboard to track and analyys online sales data. Used complex parameters to drill down in worksheet and customization using filters and slicers.
- Created connections, join new tables, calculations to manipulate data and enable user driven parameters for visualizations.
- Used different types of customized visualization (bar chart, pie chart, donut chart, clustered bar chart, scatter chart, line chart, area chart, map, slicers etc.
- Collaborated with stakeholders to define KPIs and iterated dashboard features based on feedback, improving client-focused insights.

Sales Analysis | *Python, Numpy, Pandas, Matplotlib, Seaborn*

Mar 2024 – Apr 2024

- Analyzed Diwali sales data to improve customer experience and sales. Performed data cleaning and manipulation. Also performed exploratory data analysis (EDA) using numpy, pandas, matplotlib libraries.
- Improved customer experience by identifying potential customers across different states, occupation, gender and age groups.
- Improved sales by identifying most selling product categories and products, which can help to plan inventory and hence meet the demands.

ACHIVEMENTS:

Western Digital INNOVATION BAZAR (Sep 2024)

- *Led a team to rank among the top 10 nationally in a competition organized by Western Digital, recognized for an innovative AI solution.*
