

KAVYA BHARDWAJ

Perpetual Learner | Generalist | Software Development | Product Management | B.Tech, KJSSE

Email : bhardwajkavya099@gmail.com | M : 7700098657 | [Linkedin](#) | [GitHub](#)

PROFILE SUMMARY

- 1 year+ of hands-on experience in **Product Management, Growth, Project Delivery, Customer Success**, and **Content**.
- Highly skilled in **Execution, Research, Strategy, Product/Project tools, Analytics, Marketing**, and **Communication**.

EDUCATION

- B.Tech in Computer & Electronics Engineering, K.J Somaiya School of Engineering | 2022-26

PROFESSIONAL EXPERIENCE

Software Development Intern, ProNest - The AI Tool Shop! | Jan 2025 – Mar 2025

- **Designed wireframes** and **user flows** to guide development teams.
- Assisted in **quality assurance, troubleshooting**, and maintaining **technical documentation** to ensure seamless project execution.
- **Collaborated** with teams on **project planning, progress tracking, and reporting** while adhering to company policies.
- Managed multiple tasks **efficiently**, ensuring **adaptability** to **new technologies** and **continuous learning**.
- Delivered **periodic progress** updates and a **final project** presentation, showcasing **development impact**.

Product Management Intern, Ekarth Ventures - A unit of Nahar OM | June 2024 - July 2024

- **Designed wireframes** and **user flows** to guide development teams.
- Transformed **business requirements** into detailed **engineering tasks**.
- **Strategized** IT frameworks for **hardware, software**, and **licensing**.
- Managed project timelines, ensuring **on-time delivery** and **quality**.
- **Worked cross-functionally** to drive excellence across multiple areas.

Senior Embedded Systems Team Lead, Team KJSCE Robocon | July 2023 - August 2024

- Led the development of robots for the **2024 ABU Robocon competition**.
- Conducted a Robotics Workshop attended by **100+ students**.
- Mentored a team of **20+ junior** engineers in embedded systems.
- Worked with **microcontrollers, sensors**, and **motor controllers**.
- Secured **sponsorships** and **funding** for competition resources.

EXTRACURRICULAR ACTIVITIES

- **Organizing Group - Abhyantriki 2022** (Tech Festival of KJSSE) - Member
- **Organizing Group - Symphony 2023** (Cultural Festival of KJSSE) - Member
- **Organizing Group - Skream 2023** (Sports Festival of KJSSE) - **Event head** (Box Cricket, Badminton, Basketball)
- **Team KJSCE Robocon** - Junior Electronic Systems Engineer (**Nov 2022 - Jun 2023**)

SKILLS

- **Programming:** C++, Embedded C, Python, HTML, CSS(Tailwind), Next.js, SQL, MySQL, Docker, MERN Stack
- **Tools & Technologies:** Tableau, Web Scraping, ChatGPT, Canva, Figma, Notion, MS Excel, Amplitude, Jira, Google Keyword Planner, Webflow, Slack, Google analytics, Claude.ai
