PROFESSIONAL SUMMARY

Results-driven **AI & Data Science** professional with expertise in **Python, Machine Learning, and Deep Learning** (TensorFlow, Keras, SciKit-Learn). **Designed** and **deployed** neural network models, **achieving** up to **92% accuracy**, to **transform** raw data into actionable insights. **Developed** predictive models and **implemented** end-to-end AI solutions. My background includes quality control **data analysis** and **leading** cutting-edge **research in AI**.

EDUCATION

Maharaja Agrasen Institute of Technology

(Currently in 4th year – will be completed in June 2026)

- B.Tech. in Artificial Intelligence and data science **CGPA: 8.256/10** [\[LINK\]](#)

KEY SKILLS

- AI Models & Tools:** LLMs (GPT, Mistral), RAG Models, Whisper, Ollama
- Machine Learning & Deep Learning:** Deep Learning, Neural Networks, NLP, Computer Vision, Feature Engineering, XgBoost, GBM, Hyperparameter Tuning, Image Processing, Data Augmentation, Classification
- Libraries & Frameworks:** TensorFlow, Keras, SciKit-Learn, Pandas, NumPy, OpenCV, NLTK, Flask, Streamlit
- Databases & Data Management:** MySQL, PostgreSQL, ETL Processes, Data Wrangling, Data Validation
- Data Visualization & Analytics:** Power BI, Tableau, Plotly, Data Visualization, Exploratory Data Analysis
- Programming Languages:** Python, SQL, C/C++, HTML/CSS
- Soft Skills:** Problem Solving, Communication, Teamwork, Critical Thinking, Data-driven Decision-making

PROFESSIONAL EXPERIENCE

- Intern as Res. Analyst and AI software Developer in **GEMS OF JCI PVT LTD** [\[LINK\]](#) (1 MAY 2025 - Present)
- Intern as Data Science in **Cantilever Labs** [\[LINK\]](#) (1 July 2025 - Present)
- Junior Engineer(quality analysis and Data Reporting) **MEDIPLUS INDIA LTD** [\[LINK\]](#) (Aug 2022 - May 2023)

PROJECTS

- AI EBAY USER AGREEMENT CHATBOT** [\[LINK\]](#)
Built and deployed a RAG chatbot for eBay's User Agreement using **TinyLlama-1.1B, FAISS**, and **Sentence-Transformers**, achieving **92% query accuracy** and **88% factual consistency**. Automated chunking and semantic search reduced query time from **5 minutes to 8 seconds**, supporting **50+ users** via. **Tech Stack:** Streamlit, Transformers, Sentence-Transformers, FAISS, LangChain, NumPy.
- LOCAL AUTOMATIC SPEECH RECOGNITION (ASR) SYSTEM** [\[LINK\]](#)
Built a privacy-focused offline ASR system using **faster-whisper**, achieving **10× faster GPU inference** and supporting **5 Whisper model sizes (1–10GB RAM)**. Enabled **CLI-based transcription** with **beam search (size=5)**, **VAD (500ms)**, and **GPU/CPU auto-detection**, transcribing **60s audio in 3–5s (GPU)** or **1–2 min (CPU)**. **Tech Stack:** Python, Faster-Whisper, Sounddevice, NumPy, SciPy, Torch.
- RESUME RECOMMENDER AND ANALYZER SYSTEM** [\[LINK\]](#)
Developed an NLP-based resume evaluation system, achieving **88% accuracy** by **analyzing** resumes against job descriptions. **Utilizing** text preprocessing, **TF-IDF**, and **cosine similarity** for **semantic matching** and **keyword alignment**, it **streamlined** candidate shortlisting and **generated** detailed compatibility reports for **faster, effective hiring decisions**. **Tech Stack:** Python, Scikit-learn, Pandas, NumPy, NLTK, PyMuPDF, python-docx, FuzzyWuzzy.

RESEARCH

- Conducting independent research on the **Decoding Algorithmic Prejudice: A Bias Audit for AI** to uncover and quantify **biases in LLMs** and a quantitative Bias Severity Index. [\[LINK\]](#) (May 2025 to Present)
- Conducting independent research on the **long-term physical and mental health impacts of sedentary work** culture on IT professionals, integrating data analysis and solutions. [\[LINK\]](#) (January 2025 to April 2025)

TECHNICAL CERTIFICATIONS & ACHIEVEMENTS

- Quantitative Research and Data Analytics Job Simulation – **JPMorgan and Quantum Forage** [\[LINK\]](#) [\[LINK\]](#)
- Data Science Job Simulation – **Lloyds Banking Group and British Airways Forage** [\[LINK\]](#) [\[LINK\]](#)
- Public Relations Executive** in College's official computer society [\[LINK\]](#)
- National Career Aptitude Test(NCAT)** and **AMCAT Test** (SHL) achieved overall 80% [\[LINK\]](#) [\[LINK\]](#)
- DUCAT Data Science & DSA** Certification successfully completed [\[LINK\]](#)
