## EDUCATION

### CHRIST (Deemed to be University)

MSc AIML, 69%

Bangalore, Karnataka

July 2024 – Present

### MIT WPU (Deemed to be University)

Bachelor of Computer Application, 8.77 CGPA

Pune, Maharashtra

August 2021 – May 2024

## PROJECTS

### PCOS Detection Using Convolutional Neural Networks (CNN)

[Source Code](#)

- Conducting research on automated PCOS diagnosis using ultrasound image classification.
- Built a Convolutional Neural Network (CNN) for binary classification of ovarian ultrasound images, achieving **90% training accuracy**.
- Applied advanced image preprocessing and model training techniques; CNN outperformed traditional ML models like **SVM**, **Random Forest**, and **Logistic Regression**.
- Evaluated model performance using accuracy metrics, confusion matrix, and validation curves.

### IntelliSign: Traffic Sign Recognition Using CNNs

[Source Code](#)

- Implemented CNN, **VGG16**, and **ResNet** on the **GTSRB dataset** (50K+ images, 43 classes).
- Achieved: CNN (90%), VGG16 (83%), ResNet (**97.53%**); used confusion matrix and accuracy/loss plots for validation.

### HeartWise: Intelligent ML Model for Cardiac Risk Prediction

[Source Code](#)

- Built a **Logistic Regression** model after performing data cleaning and feature engineering; applied **PCA**, **LDA**, **ICA** for dimensionality reduction and improved model interpretability.
- LDA achieved **84% accuracy** and **0.91 ROC-AUC**; evaluated using confusion matrix and classification report.

### Restaurant Sales Insight Dashboard (Power BI)

[Source Code](#)

- Developed an interactive Power BI dashboard to analyze sales trends, customer behavior, and item performance.
- Built a dynamic data model and custom DAX measures to track KPIs like revenue by time slot and top-selling items.
- Enabled actionable insights through slicers, drill-throughs, and filters for operational and menu optimization.

## ACHIEVEMENTS

Awarded 100% merit based scholarship for first-year UG at MIT-WPU.

## LEADERSHIP EXPERIENCE

### Media Team

Gateways 2024, Christ University, Bangalore

November 2024

### IT Quiz Event Head

Revelations 2025, Christ University, Bangalore

March 2025

## TECHNICAL SKILLS

**Programming Languages:** Java, Python, TypeScript, C/C++, SQL, PHP, JavaScript, R

**Web Technologies:** HTML, CSS, TypeScript, JSP

**Machine Learning & Data Science:** Pandas, NumPy, SciPy, Scikit-learn, TensorFlow, PyTorch, Keras, XGBoost, OpenCV, Flask

**NLP & LLMs:** Hugging Face Transformers, BERT, GPT, T5, spaCy, NLTK, Text Classification, Embeddings, Zero/Few-shot Learning

**Data Visualization & BI Tools:** Power BI, Tableau, Plotly, Matplotlib, Seaborn

**Cloud Platforms:** Google Cloud Platform (GCP), Amazon Web Services (AWS), Google Colab

**Databases & Graph:** MongoDB, MySQL, Neo4j

**Developer Tools:** Jupyter Notebook, GitHub, VS Code, Google Colab, Visual Studio, IntelliJ, Android Studio
