PROFILE SUMMARY

Detail-oriented postgraduate in Economics (Trade & Finance) from IIFT with hands-on experience in Python (Pandas, NumPy), SQL, Tableau, and Excel. Skilled in data cleaning, transformation, reporting automation, and dashboard development. Eager to apply strong analytical and technical skills in an operations-focused data analytics role to support data-driven decision-making and process optimization.

EDUCATION

Indian Institute of Foreign Trade

M.A. Economics (Trade & Finance)

2023-2025

CGPA : 6.75/10 (Sem 3)

Lady Brabourne College, University of Calcutta

B.Sc. Economics

2020-2023

CGPA : 8.1/10

Class 12 : 94%

2020

Class 10 : 87.5%

2018

INTERNSHIP EXPERIENCE

WORLD TRADE ORGANISATION, CWS

JUNE 2024 - JULY 2024

Research Intern

- Analyzed multilateral questionnaires from World Bank using 11-dimension framework; flagged structural inconsistencies
- Extracted and categorized international trade comments across WTO members; built repository for further policy research
- Drafted critique highlighting systemic bias in global ranking methodologies; emphasized limitations for developing nations

ACADEMIC PROJECT

E-Commerce Behavioral Analysis for Conversion Optimization

2024

- Analyzed 1M+ e-commerce user sessions and uncovered a low 3.1% conversion rate; identified key behavioral patterns of impulse buyers through session-level metrics.
- Recommended targeted strategies like timed flash sales and "low stock" nudges, projected to increase conversions by 15% and generate revenue by over 10%.
- Developed an interactive Tableau dashboard highlighting peak buying hours and buyer segments (e.g., late-night shoppers showed 25% higher impulse purchase rates).

Financial Literacy & Economic Behavior

- Collected and analyzed primary survey data on financial decision-making among Indian youth.
- Conducted logistic regression to examine correlations between financial literacy and saving behavior.
- Created data visualizations and interpreted model outcomes for academic dissemination.

SKILLS

- Languages & Tools:** SQL, Python, Excel, Tableau, Stata, EViews
- Data Analysis:** Quantitative research, econometric modeling, survey design, data visualization
- Communication:** Report writing, infographic design, stakeholder briefing, research translation
- Soft Skills:** Attention to detail, adaptability, structured thinking, interdepartmental coordination

ACHIEVEMENTS

- Qualified UGC-NET in Economics, 2025
- Core team member, Academic Fest – IIFT (Managed guest coordination & logistics under pressure)
