Aug 2023 – July 2025

Jain University, Bangalore

**Bachelor of Engineering (B.E.) – Computer Science & Engineering**

Aug 2017- May 2021

P. R. Pote Patil College of Engineering and Management, Amravati

## PROJECTS

### Employee Attrition and Prediction Management Dashboard | *Power BI, DAX, Power Query, Data Visualization*

- Designed a comprehensive Power BI dashboard using HR data from **1,470 employees**, uncovering an **overall attrition rate of 16.1%**, with the highest attrition observed in the **R&D department (28.3%)** and among employees **under 30 years of age (35.6%)**.
- Identified critical attrition drivers such as **monthly income below ₹5,000**, **low job satisfaction (rating ≤ 2)**, and **tenure under 3 years**, which together contributed to **over 50% of total attrition**, enabling HR to target high-risk employee segments.

### Sales Data Analysis-ETL Dashboard | *Power BI, ETL, Data Analysis, Data Evaluation*

- Developed an ETL Dashboard Project for Sales Data Analysis, visualizing key metrics such as a total revenue of **\$6.24M** and a total profit of **\$55K** from **95 orders**, demonstrating a clear understanding of **sales performance and profitability**.
- Implemented insightful data breakdowns, including total revenue by category (e.g., Electronics at **48.12% of revenue**, Accessories at **25.26%**) and **total revenue by region** (e.g., East at **\$2.07M**, North at **\$1.70M**), showcasing the ability to segment and analyze sales data effectively for strategic decision-making.
