SUMMARY

Looking forward to learn and contribute my skills in the field of Data Science and Artificial Intelligence by learning and implementing in the field of Unified Engineering.

INTERNSHIP

Software Developer Intern, National Informatics Centre - New Delhi

Dec 2024 - Jun 2025

Collaborated with the development team to build a scalable application platform supporting public-sector operations. Responsible for drafting comprehensive documentation on system maintenance and implementation procedures. Gained hands-on experience working with structured data and understanding its role in real-time, data-driven solutions.

UNDERGRADUATE PROJECTS

Zero Trust Framework in an IoT Environment

Dec 2024 - April 2025

- Developed a whitepaper focused on enhancing IoT network security using a Zero Trust Architecture. Applied foundational data analysis techniques to monitor and detect network anomalies, integrating concepts from cybersecurity and data science to support intelligent threat detection in real-time environments.

Mini-Project - NEWS HUB

Jan 2024 - Mar 2024

- Developed a web application that provided real-time news updates by integrating dependable APIs. Focused on dynamic data retrieval, processing, and visualization, applying core data science principles such as data filtering and structured presentation.

PORTFOLIO WORK

EDUCATION

Bachelor of Technology in Computer Science and Engineering

June 2021 - May 2025

Karunya Institute of Technology and Sciences

- My overall academic performance translates to approximately 67.8% as per the CGPA-to-percentage conversion standard (CGPA: 6.78/10).

12th Grade

CEOA Matriculation School

June 2020 - May 2021

- My Final Grade as per State Examination Board is 84.3 percentage.

10th Grade

June 2018 - May 2019

St. Mary's Matriculation School

- My Final Grade as per State Examination Board is 78% percentage.

SKILLS

- Python Programming
- Data Structures & Algorithm
- Machine Learning
- MySQL, MongoDB
- OFFICE 365
- Power BI
- Tableau
- Git & GitHub, Postman, Visual Studio Code
