

NANDINI AGGARWAL

+91-9582432690 nandiniagggarwal1705@gmail.com LinkedIn Gurugram, Haryana

Education

Thapar Institute of Engineering and Technology

Bachelor of Engineering in Biotechnology, CGPA 8.25

Patiala, Punjab

2021-2025

Amity International School

Class 12th, 97%

Saket, Delhi

2021

Amity International School

Class 10th, 95%

Gurugram, Haryana

2019

Professional Experiences

Zavya

Jun 2024 - May 2025

Visual Merchandising and Analyst Intern

- * Analyzed web traffic and campaign data using Excel, generating actionable reports, improving team efficiency by 20%
- * Leveraged CRM and AI Tools (Bik, Heepsy, MetaADs) to streamline and optimize operational efficiency by 10%
- * Developed and toggled interactive dashboards using Excel to automate reporting processes and extract actionable business insights, reducing manual effort by 40%.
- * Implemented effective visual revamp of website resulting in a 30% drive in sales and 20% impressions.
- * Designed compelling social media posts, ads, and campaigns using Adobe PS, achieving a 40% increase in engagement.
- * Performed data interpretation to derive meaningful conclusions from datasets, increasing revenue by 30%.

Projects

IRIS - Intelligent Ripening Indication System |

Sep 2023 - Nov 2023

- Developed smart hydrogel films that change color in response to ethylene from ripening fruits, achieving 60% effectiveness.
- Integrated RGB sensors to quantitatively track colorimetric changes, enabling real-time ethylene detection.
- Conducted physicochemical analyses (pH, Brix, firmness) using advanced instruments to assess fruit quality and safety, achieving 75% accuracy.

DEVELOPMENT OF BIOSENSOR |

Jan 2023 -Apr 2023

- Isolated high-quality genomic DNA from diverse fruits and vegetables using standardized protocols, achieving an 80% success rate and ensuring sample integrity for downstream molecular analysis.
- Designed and optimized forward and reverse primers for gene-specific amplification, achieving 80% success rate and enhancing the precision and reliability of genetic studies.

Leadership & Volunteering

FINE ARTS AND PHOTOGRAPHY SOCIETY

Sketching Head and Social Media Manager

Jun 2023 - Jun 2024

Thapar University

SATURNALIA

Executive Board, Creativity : Techno cultural fest

Aug 2023 - Nov 2023

Thapar University

PRATIGYA ABHIYAN

Volunteer: NGO helping underprivileged students

Jun 2021 - Jun 2022

Thapar University

Skills

Technical : Ms SQL, Microsoft Excel , Python, Power BI ,C++,Adobe Suite

Soft Skills: Data-Driven Problem Solving, Data Cleaning, Data Visualization, Creative ideation, Result Oriented, Data management, Multitasking, Communication, Teamwork, Precision & Accuracy

Certifications

Data Analytics and Visualization – Analytix Labs (Ongoing) : Training in SQL, Excel, Python, Tableau, and Real-world case studies

Python for Data Science and AI – IBM (2023) : Basics of Python, Jupyter, and data processing for AI workflows
