WORK EXPERIENCE

Wolfox Services Pvt. Ltd. : Intern Full Stack Web Developer

- Throughout my internship, I actively participated in the "Skyline Home Cares" Project using Html, Css, JavaScript, Php, Mysql languages.
- Developed a web-oriented application which can delivering the home services at the door step just by one click.

PROJECTS

1.Book Store Website (User Module)

Using- HTML, CSS, JavaScript, PHP, MySQL

- Designing an online Book Store Website that allows users to purchase a book based on title, author and languages.
- The Selected books are displayed in a tabular format and user can order their books from anywhere and anytime.

2.Car Rental System (User Module)

Using- HTML, CSS, JavaScript, PHP, MySQL

- Developing a tailored "Car Rental System" for a company dedicated to serving customers car rental requirements.
- This internet-based solution streamlines the browsing of available vehicles, registration process, profile administration, and vehicle reservation.
