CAREER OBJECTIVE

I seek a challenging Graduate Trainee role in a fast-paced environment, where I can contribute to the development of advanced technologies like AI, machine learning, and cloud computing, while continuously growing my technical skills.

ACADEMIC QUALIFICATION

Class/Std.	Board/University	Institute/School	Percentage/CGPA
B. Tech (IT)	R.G.P.V, Bhopal	Oriental College of Technology, Bhopal	7.88 CGPA
12th	MP Board	School of Excellence, Raisen	85%
10th	MP Board	School of Excellence, Raisen	84.6%

TECHNICAL SKILLS

- **Programming Languages:** Java, JavaScript, Python (basic knowledge)
- **Database:** MySQL
- **Web Technologies:** HTML5, CSS3, Bootstrap4
- **Software Development:** Agile methodologies, Git
- **Data Analysis:** Familiar with data analysis tools and techniques
- **Tools & Frameworks:** Spring Boot (for RESTful APIs), jQuery

ACADEMIC PROJECTS

1. Spotify Clone

- **Technologies:** HTML, CSS, JavaScript, Bootstrap
- Developed a REST Controller in a Spring Boot application, improving data retrieval efficiency and reducing response time by 30% for better user experience.

2. Online Book Store

- **Technologies:** Java, jQuery, HTML, CSS, Bootstrap, MySQL
- Implemented a user feedback mechanism that collected insights from 500+ users, leading to code refinements and improved user experience.

RELEVANT EXPERIENCE

Internship at Persistent Systems

- Completed a four-week training program focusing on Java Desktop Technologies and Web Development.
- Engaged in coding, debugging, and unit testing, gaining hands-on experience in software development.
- Collaborated with senior team members to improve design solutions based on user feedback.
- Documented development processes to facilitate knowledge sharing within the team.

CO-CURRICULAR ACTIVITIES

- Completed Java Full Stack Development certification from Qspider Pune.
- Recognized as one of the top 20 students in the Job-a-thon competition.

HOBBIES

- Solving puzzles and brain teasers to enhance logical thinking.
- Practicing meditation for focus and well-being.

STRENGTHS

- Excellent problem-solving skills with the ability to think critically and creatively.
- Strong communication and teamwork abilities, with experience collaborating on complex projects.
- Proactive and results-driven mind-set with a passion for continuous learning and improvement.
- Deep interest in financial markets, technology, and innovations in artificial intelligence and machine learning.

DECLARATION

I hereby declare that the information furnished above is true to the best of my knowledge.
