WORK EXPERIENCE

CRY (CHILD RIGHTS AND YOU)

Consultant Intern

Remote
May 2022 – July 2022

- Led research and benchmarking to design a virtual volunteering platform; improved clarity in workflows by analyzing best practices from 12+ NGOs.
- Implemented a transparent volunteer tracking system using Excel and Microsoft Teams, increasing engagement and accountability.
- Collaborated across a 4-member team, fostering cross-functional coordination and structured reporting
- Analyzed qualitative and quantitative survey data to identify key pain points in volunteer engagement, informing platform requirements.
- Presented findings to senior stakeholders, demonstrating business impact and alignment with organizational goals.

FIITJEE

Physics Faculty

Chennai, India
July 2023 – October 2023

- Delivered tailored learning experiences for 200+ students preparing for IIT-JEE, using data-driven insights to improve academic performance
- Designed modular learning content and tracked student progress, increasing average understanding levels across batches.
- Honed communication and user empathy by simplifying complex ideas—key for building intuitive user-facing products.

PROJECTS

STOCK PRICE PREDICTION | REGRESSION MODELING (PYTHON)

April 2022

- Built a predictive model for US stock trends using Decision Tree, Random Forest, and SVR algorithms.
- Evaluated model performance using R^2 scores; optimized hyperparameters to improve prediction accuracy.
- Gained hands-on experience with scikit-learn, pandas, matplotlib, and Jupyter notebooks.

ACTIVITIES

SPORTSFETE, NIT TRICHY

Marketing Manager

Sep 2019 – Jul 2021

- Designed and executed outreach and sponsorship plans for NIT Trichy's largest sports festival; successfully onboarded sponsors and increased event visibility through targeted campaigns.
- Coordinated across design, logistics, and finance teams to ensure event success with 1000+ participants.

METTLE SYMPOSIUM, NIT TRICHY

Treasurer Committee Member

Dec 2019 – Mar 2022

- Managed budgeting and resource allocation for departmental tech symposium; ensured fiscal accountability and transparency.
- Streamlined payment and vendor systems, reducing processing time by 30%.
