PROFESSIONAL SUMMARY

To secure a position within an organization that offers ample opportunities for skill and knowledge enhancement, while also enabling me to make valuable contributions towards the organization's progress and development.

PROJECTS

Traveler Quest - Adventure Travel App

Academic Module Project - Embarking on an Uncharted Journey: A Quest for Discovery (Product Devepment)

- The platform allows users to discover an extensive array of adventure activities. From adrenaline-pumping sports like skydiving and whitewater rafting to serene pursuits like hiking and wildlife safaris, there's something for every adventurer.
- Continuously enhancing platform functionality and user experience based on feedback. Actively involved in project evolution, ensuring its relevance and competitiveness in the dynamic travel industry.

Business Process Automation for Financial Operation

- Designed and implemented an Excel-based automation system to streamline monthly financial reconciliations and reporting, eliminating manual errors and reducing report generation time by 50%.
- Developed interactive dashboards using Excel and Google Data Studio to visualize key operational and financial KPIs, enhancing leadership's ability to make data-driven decisions.
- Trained on new digital tools and helped everyone use the new systems and upskilling.
