Class X

Board Name	Maharashtra
Medium	Marathi
Year of Passing	2017
Percentage	68.6%

INTERNSHIPS

ANG Software, January 2024 - December 2024

- Intern | ANG Software, Pune

During my internship at ANG Software, Pune, I primarily focused on front-end development tasks, contributing to feature development using technologies such as Angular, JavaScript, HTML, CSS, and Bootstrap.

I worked extensively on responsive web design, which gave me the opportunity to explore UI/UX design principles, particularly through the use of CSS and Bootstrap.
