Work Experience

Software Engineer Intern

Jan 2024 - Feb 2024

CodeClause

- Developed a Live Language Translation Application
 - * Implemented a real-time translation feature using APIs for multiple languages.
 - * Utilized Natural Language Processing (NLP) techniques to enhance translation accuracy.
- Created a Text Editor
 - * Designed and developed a text editor with essential features such as text formatting, search and replace, and file operations.
 - * Employed JavaScript, HTML, and CSS for front-end development, ensuring a responsive and intuitive interface.
 - * Implemented auto-save functionality to prevent data loss and enhance user productivity.

Frontend Developer Intern

Aug 2023 – Sept 2023

CodSoft

- Developed a Portfolio Website
 - * Designed and implemented a personal portfolio showcasing projects and skills.
 - * Utilized HTML, CSS, and JavaScript for a responsive and interactive design.
- Created a Starbucks Landing Page
 - * Developed a visually appealing landing page replicating Starbucks' design.
 - * Focused on pixel-perfect accuracy and user-friendly navigation.

Projects

E-Commerce Website | *React, Tailwind CSS, Redux, Node.js, Express.js, MongoDB*

- Developed a full-featured e-commerce platform using MERN stack (MongoDB, Express.js, React, Node.js).
- Implemented dynamic product carousel, advanced filtering, and sorting for enhanced user experience.
- Integrated Razorpay payment gateway for secure and seamless transactions.
- Added user features like order history and order tracking to improve customer satisfaction.

Resume-Builder | *Javascript, php, json, HTML, CSS*

- Designed and developed a web application for creating professional resumes with customizable templates.
- Included sections for skills, education, experiences, achievements, and projects.
- Resume can be downloaded, and it provides hidden links to PDFs which redirect as per user requirements.
- Used Material-UI for a polished and modern design, enhancing the overall user experience.

Portfolio Website | *JavaScript, HTML, CSS*

- Designed and developed portfolio website to showcase professional skills, education, achievements, and projects.
- Implemented a user-friendly interface with responsive design using HTML and CSS.
- Utilized JavaScript for interactive elements and dynamic content display.
