OBJECTIVE

Motivated and results-driven engineering student with a strong foundation in communication, client relationship management, and project coordination. Seeking a Business Development Associate role to leverage my problem-solving abilities, organizational skills, and technical acumen to drive growth and deliver value to clients.

EDUCATION

Ajeenkya Dy Patil School of engineering
Bachelors of Engineering in Computer Engineering

Dec 2021 - June 2025

EXPERIENCE

Business Development Intern | Internshala Student Partner

Oct 2023 - Nov 2023

- Acted as a liaison between Internshala and the student community, driving a 10% increase in campus registrations.
- Promoted Internshala's offerings through organized workshops and webinars, enhancing brand visibility and engagement.
- Gathered student feedback to help tailor marketing strategies, improving campaign effectiveness.

HR - Intern | Devtown

Mar 2024 - Apr 2024

- Streamlined onboarding processes by optimizing documentation workflows, reducing onboarding time by 15%.
- Organized and tracked project milestones, ensuring smooth communication between technical and non-technical teams.
- Fostered effective communication among cross-functional teams, driving a 20% increase in collaborative productivity and ensuring alignment on key deliverables.

Web developer intern | Oasis Infobyte

Dec 2023 - Jan 2024

- Designed, developed, and deployed responsive web applications using React.js and HTML5, increasing user engagement by 30% through enhanced interactive features and a mobile-first design approach.
- Crafted dynamic React.js UI components, improving interactivity and user engagement.
- Conducted rigorous cross-browser testing across major platforms, ensuring seamless functionality and consistent design for diverse user bases, achieving 95% usability across devices.
- Collaborated with a team of developers to deliver projects on time, adhering to Agile methodologies.

PROJECTS

Aim Trainer

- Designed a browser-based aim training game that improved user aiming precision, resulting in 20% increased accuracy for over 1,200 players.
- Leveraged Bootstrap and responsive design principles, ensuring compatibility across devices and achieving a 98% user satisfaction rate.
- Integrated performance analytics to provide actionable insights into user skill improvements.

E-commerce Product Page

- Designed and developed a comprehensive product display page for an e-commerce platform using Next.js, focusing on creating an intuitive and visually engaging user interface.
- Implemented advanced features such as product filtering, sorting, and user review functionality, enabling users to navigate and interact with products efficiently, which enhanced overall user satisfaction.
- Ensured a responsive design with Tailwind CSS and optimized for a seamless user experience.

CERTIFICATIONS

- **Internshala Student Partner** (Business Development Certificate)
- **Campus Ambassador** (Downtown)
- **Chegg Skills for Students** (Python for Software Engineering)
- **Vodafone Idea Foundation** (Introduction to Full Stack Web Development)
