Career Objective

Motivated and adaptable fresher with a strong foundation in **data analysis**, programming, and front-end development. Skilled in SQL, Python, and data visualization, with a passion for creating data-driven solutions to support business decisions.

Education

MCKV Institute of Engineering , BTech in Computer Science and Engineering – Data Science	Sept 2021 – June 2025
• CGPA : 9.44/10.0	
Shree Jain Vidyalaya For Boys	Mar 2019 – Mar 2020
• WBCHSE : 84.4 %	

Experience

Artificial Intelligence Internship , IBM SkillsBuild	July 2024 – Aug 2024
• Built an AI - Powered Personalized Learning Platform for Underprivileged Children using IBM Watson	
Machine Learning Internship , SlashMark	Jan 2024 – April 2024
• Worked on designing and implementing machine learning models by preprocessing large datasets, selecting relevant features, and training algorithms to address specific business challenges.	
Data Analytics Internship , IBM SkillsBuild	June 2023 – July 2023
• Explored data, gained insights, and transformed numbers into decisions.	

Projects

- **My Portfolio** : rahulsingh19.netlify.app
Tech Stack used: HTML, CSS, JavaScript.
- **Academic Project** : Dysgraphia Classification Using CNN.
Description : Designed a CNN-based deep learning system to classify handwriting patterns for early detection of Dysgraphia in children using image data analysis.
Tech Stack used: Python
Models Used: EfficientNetBo, Custom CNN
- **Retail Sales Data Analysis** : Analyzed 10K+ sales records using Python (Pandas, Matplotlib, Seaborn) to uncover product profitability and customer behavior, generating actionable business insights.
Tech Stack used: Python

Skills

Languages: Python, Java, C, SQL, HTML
Technologies: DBMS, Tableau, R
Management: Leadership qualities and a team player

Certifications and Achievements

- Computer Fundamentals and Basics (EXCEL, WORD, POWERPOINT, HTML) from BRAINWARE
- Fundamentals Of Digital Marketing from GOOGLE DIGITAL GARAGE [Link](#)
- TCS iON CareerEdge-Young Professional [Link](#)
- SQL(Intermediate) from HackerRank [Link](#)
- Secretary of the Startup Club By MCKVIE
- Director of Club Service Committee in Rotaract Club of MCKVIE
